A Reasoning Teenager

A teenager was always asking his father if he could borrow the family car. Pushed to the limit, the father asked his son why he thought "The Almighty" had given him two feet.

Without hesitation, the son replied, "That's easy, one for the brake and one for the accelerator.

Expert on Children

On a flight to Florida, I was preparing my notes for one of the parent-education seminars I conduct as an educational psychologist. The elderly woman sitting next to me explained that she was returning to Miami after having spent two weeks visiting her six children, 18 grandchildren and ten great-grandchildren in Boston. Then she inquired what I did for a living.

I told her, fully expecting her to question me for free professional advice.

Instead she sat back, picked up a magazine and said, "If there's anything you want to know, just ask me."

Exercise

The Lamaze class was in full swing. The instructor was teaching the women how to breathe properly, along with informing the men how to give the necessary assurances at this stage of the plan.

The teacher then announced, "Ladies, exercise is good for you. Walking is especially beneficial. And, gentlemen, it wouldn't hurt you to take the time to go walking with your partner!"

The room got really quiet. Finally, a man in the middle of the group raised his hand.

"Yes," replied the teacher.

"Is it alright if she carries a golf bag while we walk?"

Fastidious Housekeeper?

My mom admitted to being a less than fastidious housekeeper.

One evening my dad returned home from work, walked into the kitchen and said, "You know, dear, I can write my name in the dust on the mantel."

Mom turned to him and sweetly replied, "Well, darling, that's why I married a college graduate."

WEDDING BELLS GO DING DONG

Here's an actual news story that I just thought was funny.

A Denver man says when he saw his girlfriend toss a box of Hostess Ding Dongs into their grocery cart, he knew he'd met his match.

"It was a sign," said Jammie Swearengin. "I thought, 'Hey! This is the girl for me.' I've eaten Ding Dongs since I was a kid. For me, they're like a food group."

Three weeks later, Swearengin asked Courtney Downing to marry him. They decided to include their "matchmaker" in the festivities. At their recent wedding in Estes Park, Colo., the couple had a groom's cake made with 130 Ding Dongs.
Additionally, guests took home individually wrapped Ding Dong favors.

**I walk around like everything is fine,
but deep down, inside my shoe,
my sock is sliding off.**

The Right Choice

My 16-year-old brother, Ryan, was out late with friends one night. Suddenly he realized it was Father's Day and he had neglected to buy a card for our dad. After much searching, Ryan located an open store, but was disappointed to find only two cards left on a picked-over rack. Selecting one, he brought it home and, somewhat sheepishly, presented it to our father.

Upon opening it, Dad read this message: "You've been like a father to me." He looked at Ryan, puzzled.

"Well, Dad," Ryan tried to explain, "it was either that or the card that said, 'Now that I'm a father too!'"

Sid and Barney play Golf

Sid and Barney head out for a quick round of golf. Since they are short on time, they decide to play only 9 holes. Sid offers Barney, "let's say we make the time worth the while, at least for one of us, and spot $5 on the lowest score for the day." Barney agrees and they enjoy a great game. After the 8th hole, Barney is ahead by 1 stroke, but cuts his ball into the rough on the 9th.

"Help me find my ball, you look over there," he says to Sid. After 5 minutes, neither has had any luck, and since a lost ball carries a four-point penalty, Barney pulls a ball from his pocket and tosses it to the ground. "I've found my ball!" he announces triumphantly.

Sid looks at him forlornly, "After all the years we've been friends, you'd cheat me on golf for a measly five bucks?!?"

"What do you mean cheat? I found my ball sitting right here!"

"And a liar, too!!!" Sid says with amazement. "I'll have you know I've been standing on your ball for the last five minutes!"

Cow's Away!

(Did this really happen?)

Earlier this year, the dazed crew of a Japanese Trawler were plucked out of the Sea of Japan clinging to the wreckage of their sunken ship. Their rescue, however, was followed by immediate imprisonment once authorities questioned the sailors on their ship's loss. They claimed that a cow, falling out of a clear blue sky, had struck the trawler amidships, shattering it's hull and sinking the vessel within minutes.

They remained in prison for several weeks, until the Russian Air Force reluctantly informed Japanese authorities that the crew of one of its cargo planes had apparently stolen a cow wandering at the edge of a Siberian airfield, forced the cow into the plane's hold and hastily taken off for home. Unprepared for live cargo, the Russian crew was ill-equipped to manage a now rampaging cow within its hold. To save the aircraft and themselves, they shoved the animal out of the cargo hold as they crossed the Sea of Japan at an altitude of 30,000 feet.

Elephant Memory

An elephant was drinking out of a river one day, when he spotted a turtle asleep on a log. So, he ambled on over and kicked it clear across the river.

"What did you do that for?" asked a passing giraffe.

"Because I recognized it as the same turtle that took a nip out of my trunk 53 years ago."

"Wow, what a memory" commented the giraffe.

"Yes," said the elephant, "turtle recall".

Dangerous Dog

A customer in a little country drugstore noticed a sign saying: "Danger! Beware of Dog!" But instead of a well-trained watchdog, all he saw was a harmless old hound dog sleeping on the floor next to the cash register.

"Is that the dog people are supposed to beware of?" he asked the store owner.

"Yessiree, that's him," the owner replied.

The customer couldn't help but laugh. "That sure doesn't look like a dangerous dog to me. Why on Earth would you post that sign?"

"Because, until I hung up that sign, folks kept tripping over him."

Applying For A Job

A young man was applying for a job in a big company. "I'm sorry," said the personnel manager, "but the firm is over-staffed; we have more employees now than we really need."

"That's all right," replied the young man, un-discouraged, "the little bit of work I do wouldn't be noticed.

The Wrong Bus

A drunken man gets on the bus late one night, staggers up the aisle, and sits next to an elderly woman. She looks the man up and down and says, "I've got news for you - You're going straight to hell!" The man jumps up out of his seat and shouts, "Good heavens, I'm on the wrong bus!"

Bus Ride

A woman got on a bus holding a baby. The bus driver said, "That's the ugliest baby I've ever seen."

In a huff, the woman slammed her fare into the fare box and took an aisle seat near the rear of the bus.

The man seated next to her sensed that she was agitated and asked her what was wrong.

"The bus driver insulted me," she fumed.

The man sympathized and said, "Why, he's a public servant and shouldn't say things to insult passengers."

You're right," She said. "I think I'll go back up there and give him a piece of my mind."

"That's a good idea," the man said. "Here, let me hold your monkey."

THE BED BUDDY

Now I lay me down to sleep,
The king-size bed is soft and deep.
I sleep right in the central groove
My humans they can hardly move!
I've trapped their legs, they're tucked in tight
And here is where I pass the night.
No one disturbs me and dares intrude
Till morning comes and I want food!
I sneak up slowly to begin
My nibbles on my human's chin.
She wakes up quickly
I have sharp teeth-
I'm a SILKY TERRIER,
don't you see?
For the morning's here
And it's time to play
I always seem to get my way.
So thank you Lord for giving me
These human beings that I see.
The ones who hug and hold me tight
And share their bed with me at night!

Feeding the Animals

At a small zoo, visitors often ignored the many large signs that said, "Don't feed the animals!"

The zookeeper did not want to impose fines so he tried a different approach.

He posted signs saying, "Feed the animals for only twenty dollars!" and suddenly no one wanted to.

CD Player

I wanted to buy a CD player, but was completely perplexed by one model's promotional sign. So I called the salesclerk over and asked, "What does 'hybrid pulse D/A converter' mean?"

He said, "That means that this machine will read the digital information that is encoded on CDs and convert it into an audio signal."

"In other words," I said, "this CD player plays CDs."

"Exactly."

Lines for Women

Here are some lines women can use to counteract those tacky chat-up lines used by men.

Man: Haven't I seen you someplace before?
Woman: Yes, that's why I don't go there anymore.

Man: Is this seat empty?
Woman: Yes, and this one will be if you sit down.

Man: Your place or mine?
Woman: Both. You go to yours, and I'll go to mine.

Man: So, what do you do for a living?
Woman: I'm a female impersonator.

Man: Hey baby, what's your sign?
Woman: Do not enter.

Counting in Church

Recently while we were eating lunch after church one Sunday, my youngest son asked me what the highest number I had ever counted up to was.

I told him I didn't know. Then I asked him how high he has counted.

"5,372," came the prompt reply.

"Oh," I said. "Why did you stop there?"

"The sermon was over."

Curiosity

Our six-year-old daughter, Terra, has a need to ask questions ... lots of questions. Finally, one day, my wife had it.

"Have you ever heard that curiosity killed the cat?" my wife asked.

"No," replied Terra.

"Well, there was a cat, and he was very inquisitive. And one day, he looked into a big hole, fell in, and died!"

Wide-eyed, Terra whispered: "What was in the hole?"

Cute Baby

When we brought our new-born son to the pediatrician for his first checkup, the doctor said, "You have a cute baby."

Smiling, I said, "I'll bet you say that to all the new parents."

"No," he replied, "just to those whose babies are really good-looking."

"So what do you say to the others?" I asked.

"He looks just like you."

Just for Fun

- Two atoms are sitting next to each other and one says, "I lost an electron."
  The other asks, "Are you sure?"
  "Yeah," the first replies. "I'm positive."
- Judge: "Do you wish to challenge any of the jury?"
  Prisoner: "Well, I think I can lick that little fellow on this end..."
- It is better to have loved a short man than never to have loved a tall.
- Prunes give you a run for your money.
- I'm so broke, I can't even afford to pay attention.
- I don't eat snails - I only eat fast food.
- My brother is so stupid he thinks that aroma is someone who travels a lot.

Drive-Thru

I decided to grab a burger at a drive-thru. There were no cars in sight, so I rolled right up to the pay window.

"We're still serving breakfast. And you have to order at the speaker," the clerk scolded.

I drove all the way around the building to the squawk box and ordered a breakfast sandwich. "I'm sorry," she said, "we are now serving lunch."

Driving Test

I'm a driving examiner for the Department of Motor Vehicles and while I was giving a road test to a young man, he went through a red light without stopping. I told him that he had automatically failed the test. We met up with his mother back at the office, and I explained what had happened.

At first she was speechless. Then she asked incredulously, "He ran a red light?"

"Yes," I replied.

"Well," persisted the mom, "how red was the light?"

Favorite Candy

Our phone rang late one night, and my wife Nancy picked it up. She said, "KitKat," and hung up.

"Who was that?"

"Some boy for Carolyn," she said, referring to our daughter.

"What now?" I asked.

"He plans to ask Carolyn to the prom and wanted to know what her favorite candy is. He's going to put the invitation into a candy basket."

The next morning a basket of candy was on our porch.

"But, Mom," our daughter protested when she heard the story, "KitKat isn't my favorite candy."

"I know," Nancy said. "It's mine."

Expensive Operation

A woman was having a medical problem - her husband's snoring. So she called the doctor one morning and asked him if there was anything he could do to relieve her "suffering."

"Well, there is one operation I can perform that will cure your husband, but it is really rather expensive. It will cost $1000 down and payments of $450 for 24 months, plus payments for extras."

"My goodness!" the woman exclaimed, "it sounds like leasing a new sports car!"

"Hmmm," the doctor murmured, "too obvious, huh?"

How To Ask A Man To Do Something

Always remember these six important rules when asking a man to do something:

1. Make sure the man is conscious.
2. Crash the hard drive on his computer and line the bird cage with the sports section.
3. Be brief! Limit your nagging speech to two, three hours, max.
4. Reward him for cooperative behavior. Offer to cook him something that doesn't have a peel-back cover.
5. Punish him when he refuses to cooperate. Microwave his remote on high power for 55 minutes. Rotate 1/4 turn, and microwave again for another 35 minutes.
6. Use "would you" or "will you" instead of "you'd better" or "do as I say and no one will get hurt."

First Day of School (a true story)

On the way home from the first day of school, the father asked his son, "What did you do at school today?"

The little boy shrugged his shoulders and said, "Nothing".

Hoping to draw his son into conversation, the father persisted and said, "Well, did you learn about any numbers, study certain letters, or maybe a particular color?"

The perplexed child looked at his father and said, "Daddy, didn't you go to school when you were a little boy?"

First Apartment

Our son lived at home all four of his undergraduate years. He moved out only when he went to grad school and got an apartment. The first time my husband and I went to see his new place, he greeted us, saying, "I'm glad to finally be the host."

As we walked in the door, my husband whispered to me, "Instead of the parasite."

First Aid

After an accident, a woman stepped forward and prepared to help the victim. She was asked to step aside by a man who announced, "Step back please! I've had a course in first aid and I'm trained in CPR."

The woman watched his procedures for a few moments, then tapped him on the shoulder.

"When you get to the part about calling a doctor," she said, "I'm already here!"

Light Up My Life

One of my husband's colleagues at General Electric was taking Lamaze classes with his wife in preparation for the birth of their baby. The first evening, couples were asked to introduce themselves and state their occupations. A banker, a lawyer and a psychologist spoke up, and our factory-worker friend began to feel intimidated.

Finally his turn came. Rising to his feet, he said, "Hi! I'm Bill." Looking down at his pregnant wife, he quipped, "I work at GE, and I bring good things to life!"

I Saw This Story Already...

One afternoon while I was visiting my library, I noticed a group of preschoolers gathered for story time. The book they were reading was 'There Was an Old Lady Who Swallowed a Fly'.

After the librarian finished the first page, she asked the children, "Do you think she'll die?"

"Nope," a little girl in the back said. "I saw this last night on Fear Factor."
