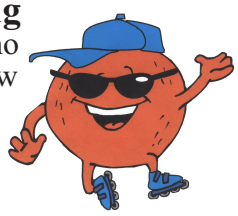
Loose Fitting Clothing



As with each New Year, Lucy, who teaches aerobic classes had many new inquiries about joining her class. She told one lady who was looking to sign up for the class to just wear loose fitting clothing to the class.

"Honey," the lady replied, "if I had any loose fitting clothing, I wouldn't be signing up for an exercise class."

Helping 22 Homeowners by "GIVING AWAY" Furnaces For $941

WITH OFF-SEASON AIR CONDITIONING

If you qualify, local utilities may offer up to $650 in rebates towards your new system.

Dear Neighbor:
I have great news for your wallet if your furnace is over 12 years old. Allow me to explain...Every year, the months of January, February, & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Kane County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or "blems" or standard "builder" models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts
If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am "giving" you the furnace and all I ask for is the $941 in labor & material costs for installation.

Perfect Fit For Your Home
I will come out and measure your home (and determine the availability of the proper size). Don't forget, I only have 22 matched Deluxe Systems in four sizes. When they are gone, this remarkable offer ends also. Just call 630-262-8484.

Absolutely No Obligation
After I completely explain the installation, there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings... That's OK.

You Can Buy With NO Cash*
You don't even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**
I'm so confident that you will save at least 25% on your heating and cooling bills (I'm projecting more like 30%), that I will pay you the difference for a year if you don't! I'll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn't afford to make such a promise.

Why This Offer Can't Last
I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are "given" away, that's it. There are no more at this price. Call Bre now at (630)262-8484 to set up an appointment for your no-obligation survey.

Warmly,
Chris Carpenter

Six Little Stories with Lots of Meanings

1. Once all the villagers decided to pray for rain. On the day of prayer, all the people gathered, but only one boy came with an umbrella. THAT IS FAITH.
2. When you throw babies in the air, they laugh because they know you will catch them. THAT IS TRUST.
3. Every night we go to bed without any assurance of being alive the next morning, but yet we still set our alarm to wake up. THAT IS HOPE.
4. We plan big things for tomorrow in spite of zero knowledge of the future. THAT IS CONFIDENCE.
5. We see the world suffering, but still, we get married and have children. THAT IS LOVE.
6. On an old man's shirt was written a sentence that stated, "I'm not 80 years old; I'm sweet 16 with 64 years of experience." THAT IS ATTITUDE.

Have a happy day and live your life like these six stories. Remember - Good friends are the rare jewels of life, difficult to find and impossible to replace.

Coffee Choices

In our home we tend to get the children to help out. One day our youngest son came in to the living room and asked, "Does anyone want a cup of coffee?"

"Yes please!" we said.

He replied, "What kind of coffee do you want? Capitated or decapitated?"

Grounded

After a family visit, my sister and her son drove me to the airport for my flight home. They waited as I checked in at the counter, and then I walked back to them and told them, "I have to wait another three hours."

"How come?" my nephew asked.

"My plane has been grounded."

"Grounded? I didn't know planes had parents."

Old Desk

I took my family to a museum which included an old one-room schoolhouse. In the classroom I pointed to a desk that had an empty hole for an ink bottle.

Realizing that the kids had never seen anything like that before I asked them, "What do you think this hole was for?"

My twelve-year-old had a ready answer: "It's a soda can holder."

Medical Rounds

While making rounds, a doctor points out an X-ray to a group of medical students. "As you can see," she says, "the patient limps because his left fibula and tibia are radically arched. Michael, what would you do in a case like this?"

"Well," ponders the student, "I suppose I'd limp too."

Shoplifter

My friend, the manager of a grocery store, nabbed a shoplifter in the act. He was escorting the suspect to the office in the front of the store (near the cash registers), when the shoplifter broke from his grip and tried to run.

After a scuffle, my friend pinned him against the wall and looked up to see a number of surprised customers staring at him.

"Everything's fine, folks," he reassured them. "This guy just tried to go through the express line with more than ten items."

Looking for Work

I was unhappy with my job, so I submitted my resignation. I was sure I'd have no trouble finding a new position, because there was a shortage of people with my skill.

I e-mailed cover letters to dozens of potential employers, attaching a copy of my resume to each one. Weeks later, I was dismayed and bewildered that I hadn't received even one request for an interview.

Finally I received a response that explained it all: "Your resume was not attached as stated. I do, however, want to thank you for the vegetable lasagna recipe."

Recruiting Officer Dan Q. Baeitto

"What's the Q. for?" she asked.

Dan: Well, when I was born my father took one look at my mother and said, "Let's call it quits."

Overdue Books

While working in the library at a university, I was often shocked by the excuses students would use to get out of paying their fees for overdue books. One evening an older student returned two books that were way overdue and threw a fit over the "outrageous" $2 fee that I asked her to pay.

I tried to explain how much she owed for each day, but she insisted she should be exempt. "You don't understand," she blurted out. "I didn't even read them!"

School Theater

Billy's father picked him up from school to take him to a dental appointment. Knowing the acting roles for the school play were being posted that day, he asked Billy if he got a part.

Billy enthusiastically announced that he'd gotten a part. "I play a man who's been married for twenty years."

"That's great, son. Keep up the good work and before you know it they'll be giving you a speaking part."

Ulterior Motive

Surgeons invited to dinner parties are often asked to carve the meat -- or worse yet, to watch the host carve while commenting on the surgeon's occupation. At one party, a surgeon friend was watching the carving while Harry, his host, kept up a running commentary: "How am I doing, doc? How do you like that technique? I'd make a pretty good surgeon, don't you think?"

When the host finished and the slices of meat lay neatly on the serving platter, the surgeon spoke up: "Anybody can take them apart, Harry. Now lets see you put them back together again."

Camping Trip

The loaded mini-van pulled in to the only remaining campsite. Four children leaped from the vehicle and began feverishly unloading gear and setting up the tent. The boys rushed to gather firewood, while the girls and their mother set up the camp stove and cooking utensils.

A nearby camper marveled to the youngsters' father, "That, sir, is some display of teamwork."

The father replied, "I have a system: no one goes to the bathroom until the camp is set up."

The Right Choice

My 16-year-old brother, Ryan, was out late with friends one night. Suddenly he realized it was Father's Day and he had neglected to buy a card for our dad. After much searching, Ryan located an open store, but was disappointed to find only two cards left on a picked-over rack. Selecting one, he brought it home and, somewhat sheepishly, presented it to our father.

Upon opening it, Dad read this message: "You've been like a father to me." He looked at Ryan, puzzled.

"Well, Dad," Ryan tried to explain, "it was either that or the card that said, 'Now that I'm a father too!'"

Delicious

The customer in the Italian restaurant was so pleased with his meal he asked to speak to the chef.

The owner proudly led him into the kitchen and introduced him to the chef. "Your pasta quattro formaggi was superb!" the customer said. "I just spent a month in Italy, and yours is better than any I had over there."

"Naturally," the chef said. "Over there, they use domestic cheese. Ours is imported!"

All of my friends have such expansive bucket lists.
Mine is a little pail in comparison.

Canaries

A lady went to a pet shop. "I'd like to buy two yellow canaries," she told the owner.

"We don't have any canaries, but we have these," the owner said, as he showed the lady some pale green parakeets.

"That's not what I'm looking for," the lady stated.

But the pet store owner refused to give up. He said, "Just think of them as yellow canaries that aren't quite ripe yet."

Speed of Learning

Instructor: "Isn't it remarkable how quickly the kids learn to drive the car?"

Parent: "Yes, especially considering how slowly they catch on to running the lawnmower and vacuum cleaner."
