**Scented Candles for Men**

It seems in this day and time you can't go into an area dominated by a woman without detecting the 'aroma' (odorous terribilis) of some kind of bizarre scented candle. Everything from 'Boysenberry Vanilla Potpourri' to 'Spice Orange Jasmine Chocolate'. Sometimes it gives me a headache!

Well, it's about time men had their own scented candles. Below you will find a few scents men would appreciate.

- Acetylene
- Freshly Moved Dirt
- Silage
- Sawdust

**Yard Sale**

A woman was taking her time browsing through everything at a friend's yard sale, and said to her, "My husband is going to be very angry I stopped at a yard sale."

"I'm sure he'll understand when you tell him about all the bargains you found," her friend replied.

"Normally, yes," she said. "But he just broke his leg, and he's waiting for me to take him to the hospital to have it set."

**A Woman's Week at the Gym**  
If you read this without laughing out loud, there is something wrong with you. This is dedicated to everyone who ever attempted to get into a regular workout routine.

**Dear Diary,**  
For my birthday this year, my husband gave me a week of personal training at the local health club. Although I am still in great shape since being a high school football cheerleader 43 years ago, I decided it would be a good idea to go ahead and give it a try. I called the club and made my reservations with a personal trainer named Christo, who identified himself as a 26-year-old aerobics instructor and model for athletic clothing and swim wear. Friends seemed pleased with my enthusiasm to get started! The club encouraged me to keep a diary to chart my progress.

**MONDAY:** Started my day at 6:00 a.m. Tough to get out of bed, but found it was well worth it when I arrived at the health club to find Christo waiting for me. He is something of a Greek god -- with blond hair, dancing eyes, and a dazzling white smile. Woo Hoo!! Christo gave me a tour and showed me the machines. I enjoyed watching the skillful way in which he conducted his aerobics class after my workout today. Very inspiring! Christo was encouraging as I did my sit-ups, although my gut was already aching from holding it in the whole time he was around. This is going to be a FANTASTIC week!!

**TUESDAY:** I drank a whole pot of coffee, but I finally made it out the door. Christo made me lie on my back and push a heavy iron bar into the air then he put weights on it! My legs were a little wobbly on the treadmill, but I made the full mile. His rewarding smile made it all worthwhile. I feel GREAT! It's a whole new life for me.

**WEDNESDAY:** The only way I can brush my teeth is by laying the toothbrush on the counter and moving my mouth back and forth over it. I believe I have a hernia in both pectorals. Driving was OK as long as I didn't try to steer or stop. I parked on top of a GEO in the club parking lot. Christo was impatient with me, insisting that my screams bothered other club members. His voice is a little too perky for that early in the morning and when he scolds, he gets this

**A Woman's Week at the Gym (cont'd)**  
nasally whine that is VERY annoying. My chest hurt when I got on the treadmill, so Christo put me on the stair monster. Why would anyone invent a machine to simulate an activity rendered obsolete by elevators? Christo told me it would help me get in shape and enjoy life. He said some other stuff too.

**THURSDAY:** Christo was waiting for me with his vampire-like teeth exposed as his thin, cruel lips were pulled back in a full snarl. I couldn't help being a half an hour late -- it took me that long to tie my shoes. He took me to work out with dumbbells. When he was not looking, I ran and hid in the restroom. He sent some skinny girl to find me. Then, as punishment, he put me on the rowing machine -- which I sank.

**FRIDAY:** I hate that jerk Christo more than any human being has ever hated any other human being in the history of the world. Stupid, skinny, anemic, anorexic, little aerobic instructor. If there was a part of my body I could move without unbearable pain, I would beat him with it. Christo wanted me to work on my triceps. I don't have any triceps! And if you don't want dents in the floor, don't hand me the barbells or anything that weighs more than a sandwich. The treadmill flung me off and I landed on a health and nutrition teacher. Why couldn't it have been someone softer, like the drama coach or the choir director?

**SATURDAY:** Satan left a message on my answering machine in his grating, shrilly voice wondering why I did not show up today. Just hearing his voice made me want to smash the machine with my planner; however, I lacked the strength to even use the TV remote and ended up catching eleven straight hours of the Weather Channel.

**SUNDAY:** I'm having the Church van pick me up for services today so I can go and thank God that this week is over. I will also pray that next year my husband will choose a gift for me that is fun -- like a root canal or a hysterectomy. I still say, if God had wanted me to bend over, he would have sprinkled the floor with diamonds!!!

**Words Women Use**

**Fine:** This is the word women use to end an argument when they are right and you need to shut up.

**Five Minutes:** If she is getting dressed, this is half an hour. Five minutes is only five minutes if you have just been given 5 more minutes to watch the game before helping around the house.

**Nothing:** This is the calm before the storm. This means "something" and you should be on your toes. Arguments that begin with "nothing" usually end in "fine".

**Go Ahead:** This is a dare, not permission, DON'T DO IT!!

**Is It Love?**

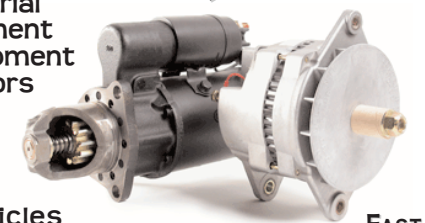

Bill and Steve are discussing the possibility of love. "I thought I was in love three times," Bill says. "Thought?" Steve asks. "What do you mean?" "Three years ago, I cared very deeply for a woman who wanted nothing to do with me," Bill says. "Wasn't that love?" Steve asks. "No, that was obsession," Bill explains. "Then two years ago, I cared very deeply for an attractive woman who didn't understand me." "Wasn't that love?" asks Steve. "No, that was lust," Bill replies. "And just last year, I met a woman while I was on a cruise. She was gorgeous, intelligent, a great conversationalist and had a super sense of humor. Everywhere I followed her on that ship, I would get a very strange sensation in the pit of my stomach." "Well, wasn't that love," asks Steve. "No. That was motion sickness!" Bill replies.

**Some tips for your 2015 big day~**  
 The biggest trends for 2015 weddings is very personal and intimate atmosphere, as if we had brought together our family and friends at home. In this theme, the focus is on long wooden tables instead of round ones and wooden chairs or benches, as well as white twinkly lights as a key element in decorating and creating this cozy environment.

The flowers used in weddings are also going to be of rustic and country inspiration – with floral arrangements and bridal bouquets composed of flowers that seem freshly picked right off the field.

Wedding dresses: it is going to be the year of vintage dresses, with defined silhouettes. dresses with pockets, dresses with lace sleeves, dresses in pastel colors, namely pink.

In terms of accessories for the bride, Veils return in full force regardless of the style or wedding dress chosen for the big day.

**The priest who married us forgot our names.**  
 He was at the pulpit and said "We are gathered here today to celebrate the marriage of....of.....of.....of....." cue him screwing up his eyes and trying in vain to see our names written on a scrap of paper which he had left on the altar. "Of....of...." he continued....then came a divine flash of inspiration and he settled on "these two young people".

**Kids? Don't ya just luv em!**  
 We went to a cousins wedding with son #1, who was about 20 months. They just got to the point where they ask: "If anyone knows of any reason while these two should not be wed, speak now..."  
 To which son #1 piped up NO! NO! NO! NO! . (I was trying to pick him up off the floor at the time.)

**One Track Mind!**  
 A long time ago I was a bridesmaid at my cousins wedding. It was a full catholic mass type thingy thing and at one point an altar boy walked down the aisle ringing a bell - one of the little ones shouts as loud as he can: "It's the ice cream man".

**Life Insurance**  
 An insurance salesman was trying to persuade, Mrs Warren, a housewife, to buy a life insurance policy. 'Just imagine,' he pronounced, 'if your husband was to die tomorrow, what would you get?' 'Oh, a Yorkshire terrier dog, I think,' responded Mrs Warren brightly, 'they're so well-behaved.'

**Writing your Wedding Vows**  
 Sit down in a quiet space with paper and pen and answer these questions. Even if you don't think the answer will end up in your wedding vows, still take the time to write it down. It may help you in the long run.

1. What is the single greatest thing about the person you are going to marry?
2. When did you know that you were in love/ know that this person was the one you wanted to marry?
3. What does marriage mean to you?
4. Why do you want to be married?
5. What is the most important thing you want to promise to your partner? What is the promise you most want to hear from them?
6. What will change about your relationship once you are married? What will stay the same?

Personally I think one of the greatest things about marriage is that as both husband and Father, I can say anything I want to around the house. Of course, no one pays the least bit of attention.

**Why are You Not Married?**

- Here are some comebacks:
- You haven't asked yet.
  - I was hoping to do something meaningful with my life.
  - Because I just love hearing this question.
  - Just lucky, I guess.
  - It gives my mother something to live for.
  - My fiancée is awaiting his/her parole.
  - I'm still hoping for a shot at Miss/Mr. America.
  - Do you know how hard it is to get two tickets to Miss Saigon?
  - I'm waiting until I get to be your age.
  - It didn't seem worth a blood test.
  - I already have enough laundry to do, thank you.
  - Because I think it would take all the spontaneity out of dating.
  - My co-op board doesn't allow spouses.
  - I'd have to forfeit my billion dollar trust fund.
  - They just opened a great singles bar on my block.
  - I wouldn't want my parents to drop dead from sheer happiness.
  - What? And lose all the money I've invested in running personal ads?
  - I don't want to have to support another person on my paycheck.
  - Why aren't you thin?
  - I'm married to my career, although recently we have been considering a trial separation.
  - Bonus reply for Single Mothers: Because having a husband and a child would be redundant.

**Bad Hair Day**

"What happened to you?" asked the bystander of the man lying on the sidewalk outside of the beauty parlor.

The man shook his head groggily and rubbed his bruised chin. "Well, the last thing I remember was my wife coming out of the beauty salon. I took one look at her and said, 'Well, Honey, ... at least you tried.'"

**Large Family**  
Ben came from a large family. He had five sisters and three brothers.  
One day he was looking through the family photo album with his mother when he noticed, in page after page, that all the children were dressed in the same colors.  
He asked his mother why they were all dressed alike.  
She explained, "At first, when we had just four children, I dressed you alike so we wouldn't lose any of you. "Then," she added, "as other five came along, I started dressing you alike so we wouldn't accidentally take one home that didn't belong to us."

**Attainable New Year's Resolutions**

- This year I resolve to...*
- Gain weight. At least 30 pounds.
  - Stop exercising. Waste of time.
  - Read less. Makes you think.
  - Watch more TV. I've been missing some good stuff.
  - Procrastinate more. Starting tomorrow.
  - Take a vacation to someplace important: like, to see the largest ball of twine.
  - Stop bringing lunch from home: I should eat out more.
  - Buy a 1983 Cadillac El Dorado and invest in a really loud stereo system and get the windows tinted.
  - Never make New Year's resolutions again.

**Do You Know Your Wife?**  
 'Is it true, Dad,' asked Joey, that in ancient China, a man doesn't know his wife until he marries.'  
 'That happens everywhere, Joey, everywhere!' responds his father.

~~~~~  
*By all means marry. If you get a good wife, you'll be happy. If you get a bad one, you'll become a philosopher...and that is a good thing for any man.*  
 - Socrates

**A Child's View**

Jack, a very young lad aged 4 years, says to his father, 'Daddy, Daddy, I want to get married.'  
 His father explains, 'For that Jack, you have to have a boy and a girl.'  
 So Jack answers, 'I've already found a girl.'  
 'Who?' splutters his Dad.  
 'Grandma,' continues Jack happily.  
 'Now, let me get this straight,' his father says. 'You want to marry my mother? ..... You can't do that.'  
 'I don't see why not?' Jack responds, 'You married mine!'

**Wives Go Fishing**

- Wife after returning from fishing trip with husband to neighbor: "I did everything all wrong again today -- I talked too much and too loud. I used the wrong bait. I reeled in too soon and I caught more than he did."
- Shivering wife to husband while ice fishing: "Tell me again how much fun we're having -- I keep forgetting."
- Wife to her husband returning from a weekend fishing trip: "Gesundheit ! What else did you catch ?"
- Wife to husband while fishing: "I don't know, it still seems to me that the boot you caught yesterday put up more of a fight than that inner tube you caught today."

**Big Date**

A young man called his mother and announced excitedly that he had just met the woman of his dreams. Now what should he do?  
 His mother had an idea: "Why don't you send her flowers, and on the card invite her to your place for a home-cooked meal?"  
 He thought this was a great strategy and arranged a date for a week later. His mother called the day after the big date to see how things had gone.  
 "The evening was a disaster," he moaned.  
 "Why, didn't she come over?" asked his mother.  
 "Oh, she came over, but she refused to cook..."

**Do-It-Yourself Tips For Real Men**

**Leak stain on ceiling:** Cut a piece of plywood into a square. Nail it over the stain. Put a handle on it. Tell everyone it's the door to your attic. (Not recommended for basement apartments).

**Crabgrass:** In one corner of your lawn, assemble your mower, rake, shovel and weed killer. Using right index finger, dial any asphalt company. Have them come over and pave your lawn -- mower, rake, shovel and weed killer included.

**Burn on rug:** Cut one lemon in half. Squeeze juice into large glass of gin mixed 50-50 with tonic. Add ice. Drink enough glasses of this solution until burn becomes blurry. Move couch over mark.

**Dirty paint brushes:** Soak brushes in pail of paint remover. Read paint remover directions carefully. Notice they say solvent should not be inhaled. Move brushes and can to airy place -- like the backyard. Notice that solvent can kill grass. Move can and brushes up off lawn onto suitable surface like, say, barbecue. Now notice that solvent is highly flammable.

**Annoying drips:** Don't invite them over anymore.
