This Dog Loves People

A normally sweet Great Dane, Phil has one quirk: he hates United Parcel Service drivers.

While walking Phil one day, around the corner of a house came a UPS man.

Struggling to keep hold of Phil, the owner tried to ease the situation and sarcastically said, "As you can see, he just loves UPS men."

"Do you feed him anything else?" he responded.

One Hour Heating Helping 22 Homeowners By "Giving Away" Furnaces for \$941 with Off-Season Air Conditioning

AMERICAN MADE
QUALITY
HVAC SYSTEMS!

HURRY!
WE HAVE ONLY 22
DELUXE SYSTEMS
AVAILABLE

Plus, if you qualify, local utilities may offer up to \$550 in rebates towards your new system.

Dear Neighbor:

I have great news for your wallet if your furnace is over 12 years old. Allow me to explain...Every year, the months of January, February, & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Kane County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or "blems" or standard "builder" models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts

If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am "giving" you the furnace and all I ask for is the \$941 in labor & material costs for instalation.

Perfect Fit For Your Home

I will come out and measure your home (and determine

the availability of the proper size). Don't forget, I only have 22 matched Deluxe Systems in four sizes. When they are gone, this remarkable offer ends also. Just call 630-262-8484.

Absolutely No Obligation

After I completely explain the installation, there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings... That's OK.

You Can Buy With NO Cash

You don't even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**

I'm so confident that you will save at least 25% on your heating and cooling bills (I'm projecting more like 30%), that I will pay you the difference for a year if you don't! I'll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn't afford to make such a promise.

Why This Offer Can't Last

I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are "given" away, that's it. There are no more at this price. Call now at (630)262-8484 to set up an appointment for your no-obligation survey.

Warmly,

Chris Carpenter

Mess Cake

The Chaplain had been assigned to the ship and he noticed how much grief the cooks (Mess Specialists) caught from the crew and how they gave back as much as they got. He talked to the Food Service Officer and decided to talk to the cooks and get them to be more cheerful when they served the meals to the sailors coming down the line. A smile and a cheerful comment, a willingness to serve them will reap great benefits he told them.

After his pep talk the Food Service Officer and the Chaplain stood back and watched the food being served.

A new sailor aboard walked down the line but he didn't like anything he saw so he just carried his tray down the line till he got to the dessert section. He picked up a saucer containing a large piece of chocolate cake. The Mess Specialist looked at him, "Is that all you're gonna eat?" he asked.

The sailor said, "Yeah, the rest of it don't look too appetizing."

The Mess Specialist smiled and said, "Well, in that case would you like two pieces of cake?"

The Chaplain smiled and nudged the Food Service Officer in the ribs, "I told you my talk did them some good."

The kid said, "Yeah, man, I'd appreciate it."

The cook leaned over and cut the piece of cake on the tray in half.

Stained Glass

A minister tells of his first Sunday in a new parish and of presenting the children's message. It seems the sanctuary in the new church had some magnificent stained glass windows, so his message centered on how each of us is called to help make up the whole picture of life (the life of the community of the faithful). Like the pictures in the windows, it takes many little panels of glass to make the whole picture.

And then he said, "You see each one of you is a little pane." And then pointing to each child, "You're a little pane. And you're a little pane. And you're a little pane. And..."

It took a few moments before he realized why everyone was laughing so hard.

Wedding Ceremony

A minister was planning a wedding at the close of the Sunday morning service.

After the benediction, he had planned to call the couple down for a brief ceremony in front of the congregation.

For the life of him, he couldn't think of the names of those who were to be married.

"Will those wanting to get married please come to the front?" he requested.

Immediately, nine single ladies, three widows, four widowers, and six single men stepped to the front.

Company Examination

A company was hiring new staff. One question in the written exam was:

You are driving your car in a wild stormy night. You pass by a bus station, and you see three people waiting for the bus: an old lady who looks as if she is about to die, a doctor who had once saved your life, a person you have been dreaming to be with. You can only take one passenger in your car. Which one will you choose? Please explain your answer.

Think about it before you continue reading.

This must be some kind of personality test. Every answer has its reasoning.

You could pick up the old lady. She is going to die, and thus you should save her first. You could take the doctor, because he once saved your life. This will be the perfect chance to pay him back. However, you could always pay the doctor back in the future, but you may never be able to find the perfect love once you pass this chance.

The candidate who was eventually hired (out of 200 applicants) did not have to explain his answer.

What Did He Say? He simply answered: "Give the car key to the doctor. Let him take the old lady to the hospital. I will stay and wait for the bus with the person of my dreams."

Census Taker

The old man was sitting on his porch, when a young man walked up with a pad and pencil in his hand.

"What are you selling, young man," he asked.

"I'm not selling anything, sir," the young man replied. "I'm the Census Taker."

"A what?" the man asked.

"A Census Taker. We are trying to find out how many people are in the United States."

"Well," the man answered. "You're wasting your time with me, I have no idea."

MR. NOBODY

I KNOW A FUNNY LITTLE MAN,
AS QUIET AS A MOUSE
WHO DOES THE MISCHIEF THAT IS DONE
IN EVERYONE'S HOUSE.
THOUGH NO ONE EVER SEES HIS FACE,
WE CAN ALL AGREE
THAT EVERY PLATE THAT BREAKS WAS CRACKED
BY MR. NOBODY.

'TIS HE WHO BRINGS IN THE MUD,
THAT GATHERS IN THE HALL.
'TIS HE WHO LETS THE FRONT DOOR SLAM,
AND SCRIBBLES ON THE WALL.
WHEN WE CAN'T FIND THE SCISSORS,
OR HAVE LOST THE BACK DOOR KEY.
THE ONE TO BLAME IN EVERY CASE
IS MR. NOBODY

WE KNOW HE CRACKED THE WINDOW
AND BROKE THE CHINA PLATE.
WE KNOW HE LEFT THE KITCHEN FLOOR
IN SUCH A DREADFUL STATE.
WE KNOW HIS FAULTS AND FAILINGS,
HIS SINS ARE PLAIN TO SEE.
AND SO WE ALWAYS PUT THE BLAME

Can I Help?

One summer evening a young son came in while his parents were setting the table for supper. Quite surprisingly, he asked if he could help.
 His mother said, "No, but I appreciate you asking."
 The child responded, "Well, I appreciate you saying no."

Lamaze Class

A couple just started their Lamaze class and they were given an activity requiring the husband to wear a bag of sand - to give him an idea of what it feels like to be pregnant. The husband stood up and shrugged saying, "This doesn't feel so bad."
 The instructor then dropped a pen and asked the husband to pick it up.
 "You want me to pick up the pen as if I were pregnant, the way my wife would do it?" the husband asked.
 "Exactly," replied the instructor.
 To the delight of the other husbands, he turned to his wife and said, "Honey, pick up that pen for me."

Oops! Really?

Bovine Resilience: In France a motorist collided with a cow on a country road. A few seconds later the motorist turned around and found a cow sitting in her back seat. Thrown into the air, the cow had crashed through the car's canvas top. The top had to be sawed off to get the cow out. Bossy was uninjured! Cows DO fly, sometimes...

Parking Concern

While walking through a parking lot, I tripped and fell flat on my face. As I was lying there, a woman stopped her car and called out, "Are you hurt?"
 "No, I'm fine," I said, touched by her concern.
 "Oh, good," she continued. "So will you be vacating your parking space now?"

How to Handle the Situation

The wedding day was fast approaching. Everything was ready and nothing could dampen Jennifer's excitement, not even her parents' nasty divorce. Her mother had finally found the perfect dress and felt she would be the best-dressed mother of the bride ever!

A week later, Jennifer was horrified to learn her new young stepmother, Barbie, had purchased the same dress. She asked Barbie to exchange it, but Barbie refused. "Absolutely not! I'm going to wear this dress. I'll look like a million bucks in it."

Jennifer relayed the conversation to her mother, who graciously replied, "Never mind, dear. I'll get another dress. After all, it's your special day, not hers." Two weeks later, another dress was finally found. When they stopped for lunch that day, Jennifer asked, "What are you going to do with the first dress? Maybe you should return it. You don't have any place to wear it."

Her mother grinned and replied, "Of course, I do, dear. I'm wearing it to the rehearsal dinner!"

Water Hazard

A buddy and I were golfing one afternoon and getting somewhat bored with the round; so when we came upon the water hazard with two ducks sitting quietly on the water, I bet him ten bucks he couldn't hit a duck and five dollars he couldn't even get one to move. Being a guy, he took the bet. He launched four tee shots toward the ducks, & even threw two by hand, & the ducks still wouldn't budge. Only after he lost six golf balls did he realize the ducks were decoys.

Jonah and the Whale

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though a whale is a very large mammal, its throat was very small. The little girl stated that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible.

The little girl said, "When I get to heaven, I will ask Jonah."

The teacher asked, "What if Jonah went to hell?" The little girl replied, "Then you can ask him."

How Important?

I was watching a British detective story on TV. The local group was gathering in their hunting best for a fox hunt. In the opening scene my 9 year old daughter wanted to know what the people were doing, noticing the formal hunting outfits and well groomed horses. I replied that they were looking for a fox. There was a short stunned silence and then she asked: "Is it a very important fox?"

Title goes here

According to a recent article I just read on nutrition, they said eating right doesn't have to be complicated. Nutritionists say there is a simple way to tell if you're eating right. Colors. Fill your plates with bright colors. Greens, reds, yellows. In fact, I did that this morning. I had an entire bowl of M&M's. It was delicious! I never knew eating right could be so easy.

Under the Bed

Because of back problems, each night I lie on the floor and do exercises. Once when we stopped at a motel, as I started my exercise, something under the bed caught my eye. It was a card, on which was written "Yes, we do clean under here, too."

Legal Fees

A man walks into a lawyer's office and asks how much the barrister's rates are. The lawyer says fifty dollars for three questions.

The man asks, "Isn't that awfully expensive"

"Yes," the lawyer replies, "what's your third question?"

Empty Stomach

Little Susie, a six-year-old, came home from school whining, "Mommy, I've got a stomachache."

"That's because your stomach is empty," her mother replied. "You'd feel better if you had something in it." She gave Susie a snack and sure enough, Susie felt better right away.

That afternoon the family's minister dropped by. While he was chatting with Susie's mom, he mentioned he'd had a bad headache all day long.

Susie perked up. "That's because it's empty," she said. "You'd feel better if you had something in it."

Webster's Dictionary

Like a lot of husbands throughout history, Webster would sit down and try to talk to his wife. But, as soon as he would start to say something, his wife would ask, "And what's that supposed to mean?"

And so, Webster's Dictionary was born.

Salesman Visit

One day a salesman stopped by the Jones farm, knocked, and Mrs. Jones came to the door. "Is your husband home, Ma'am?" he asked. "Sure is. He's over to the cow barn." "Well, I got something to show him, Ma'am. Will I have any difficulty finding him?" "Shouldn't have any problem ... He's the one with the beard and mustache."

A Touch of Home

Although we were being married in New Hampshire, I wanted to add a touch of my home state, Kansas, to the wedding. My fiance, explaining this to a friend, said that we were planning to have wheat rather than rice thrown after the ceremony.

Our friend thought for a moment. Then he said solemnly, "It's a good thing she's not from Idaho."

Marathon

It was the finish line of the Boston marathon. A first time runner is hobbling away, having just finished.

A grizzled old marathoner looks at him and says "You'll feel a lot worse tomorrow."

He pauses and then says, "But the really bad news is that in about 3 days, you're going to think you had fun today."

Fire Test

Joey and his classmates had just finished a tour of the local fire hall. Before each student could leave, the fire chief quizzed him. The fire chief asked little Joey, "What do you do if your clothes catch on fire?"

Joey replied promptly, "I don't put them on."

Cool Tricks! - How to Remember Names

It happens to the best of us--young and old. We're introduced to someone and minutes later, we forget the person's name. Yikes! This five-step plan from Better Homes & Gardens magazine and author Fred Chernow will help you remember names.

1. Soon after you're introduced, say the person's name aloud. This does two things: It validates that you heard the name correctly and it allows you to hear the name in your own voice.
2. Keep saying the name--at least three times in the conversation.
3. Be a good conversationalist. Ask the person a question that requires more than a "yes" or "no" answer. This serves several purposes when it comes to remembering the name. It gives you a chance to concentrate. It allows you to observe the speaker. It lets you listen to the speaker's voice.
4. Think about the person's name. Try to make a vivid link or association with the name or something he or she says. For example, she talks about a trip to Aspen, imagine her skiing.
5. End the conversation with the person's name.

How Ya Feeling?

The doctor in a small North Carolina clinic asked the weather-beaten mountaineer how he was feeling. "Well ... it's like this," drawled the man. "I'm still a-kickin', but I ain't raisin' no dust."

Americans Shouldn't Be Allowed To Travel

Actual stories provided by travel agents.

- I just got off a call with a man who asked, "How do I know which plane to get on?" I asked him what exactly he meant, which he replied, "I was told my flight number is 823, but none of these darn planes have numbers on them!"
- Another man called and asked if he could rent a car in Dallas. When I pulled up his reservation, I noticed that he only had a one-hour lay over in Dallas. I asked why he wanted to rent a car, he said, "I heard Dallas was a really big airport and I need a car to drive between the gates to save time."

Telemarketers

I used to hate when telemarketers would call but nowadays I welcome them with open arms. Their calls are opportunities for me to turn the tables on them. Perhaps they have now blacklisted me because I don't get as many calls as I used to but when my caller ID box shows "Private Caller" my adrenaline rushes and I am ready to play.

One of the new ploys that telemarketers are using is to call you electronically. You pick up the phone to hear a recorded voice say, "Please stay on the line for an important message." They actually expect you to wait on hold while they take their sweet time before getting around to selling you something.

The last time I got one of these calls, I put on some classical music and waited for someone to greet me. As soon as I heard the telemarketer say hello, I said in my best radio advertiser voice, "Your call is important to us. Please stay on the line and the next available representative will be with you shortly." I let the music play and repeat those phrases at thirty second intervals.

Finally I turned off the music and said, "Hello?"

"Hello, this is Jane with Allied Travel. How are you today?"

"Well, my gouts been acting up, I've got terrible hemorrhoids, I've got poison ivy on the bottom of my feet and I just ate a pizza and have heartburn."

"I'm sorry to hear that sir but I'm calling to tell you about some of our exciting travel packages that ..."

I interrupted her, "You don't really care about how I'm doing, do you?"

"Why, sure I do?"

"You want to come over and throw some darts?"

"Well sir, I can't do that right now. I have to call people and tell them about our travel packages."

"You can use my phone. Come on over."

"I'm afraid I can't do that."

"So why won't you come over?"

"Well, I'm working."

"I got some pork rinds and Pepsi."

"Boy, that sounds real tempting but I'll have to take a rain check on that."

"Why'd you ask me how I was doing then?"

"That's just a courtesy."

"You don't like me do you?"

"Yes sir. I like you just fine."

"So ... You want to come over and throw some darts?" (click)
