It’s Tax Time
A businessman, on his deathbed, called his friend and said, "Bill, I want you to promise me that when I die, you will have my remains cremated." "And what do you want me to do with your ashes?"
"Just put them in an envelope and mail them to the Internal Revenue Service. Write on the envelope, 'Now, you have everything.'"

Meaningful Homeowning Benefit: Tax Deductions
For most homeowners, the interest and real estate tax portion of their mortgage payment can be deducted from their taxable income.*
For renters, no portion of their rent payment can be deducted from their taxable income.

The $500 Horse
Michael was selling a fine horse, and his friend Liam came over with the intention of buying it. "How much is it?" asked Liam, and Pat told him "500 dollars."
Liam was startled, and said, "But sure, I could give only 25 dollars for even such a fine horse." "Done!" said Michael.
Liam was surprised again. "How is it you came down so fast?"
Michael smiled and said, "25 dollars is what he's worth, all right, but you're my friend, and I thought you'd like owning a 500 dollar horse."

The Geography Student
Teacher: Class, who can go to the board and show us the map of the North America?
George: Yes, ma'am.
Teacher: Okay George.
George: Here is the map of North America.
Teacher: Class, who discovered North America?
Class: George!
Why American’s Should Never Be Allowed to Travel

The following are actual stories that have been provided by travel agents. They provide ample reasons for making our title statement:

• I had someone ask for an aisle seat so that his or her hair wouldn’t get messed up by being near the window.

• A client called inquiring about a package to Hawaii. After going over all the cost info, she asked, “Would it be cheaper to fly to California and then take the train to Hawaii?”

• I got a call from a woman who wanted to go to Capetown. I started to explain the length of the flight and the passport information when she interrupted me with, “I’m not trying to make you look stupid, but Capetown is in Massachusetts.” Without trying to make HER look like the stupid one, I calmly explained, “CapeCOD is in Massachusetts, CapeTOWN is in South Africa.” Her response...click!

• A man called, furious about a Florida package we put together for him. I asked what was wrong with the vacation in Orlando. He said he was “expecting an ocean-view room.” I tried to explain that it is not possible since Orlando is in the middle of the state. He replied, “Don’t lie to me. I looked on the map and Florida is a very thin State.”

• I got a call from a man who asked, “Is it possible to see England from Canada?” I said, “No.” He said, “That’s odd. They look so close on the map.”

A Creature Rose up out of the Surf

A creature rose up out of the surf and came ashore. Its garments were made of green sea lettuce.

"I am the friendly witch of the sand," she said. "Do not be alarmed. I am only going to sunbathe."

The sun was terribly hot. Her skin began to bake and it turned as red as a ripe tomato!

No one on the beach had ever before seen a baking lettuce and tomato sand witch.
Q: Why do seagulls fly over the sea?
A: Because if they flew over the bay, they'd be baygulls
(bagels, get it?)

Good Advice
A woman is in the bar of a cruise ship and she asks the bartender for a scotch and two drops of water. As the bartender gives her the drink, she says, "It's my birthday today, and I'm on the cruise to celebrate my 80th birthday."

The bartender says, "Well, since it's your birthday I'll buy you a drink; in fact, I'll take care of this one for you."

As the women finishes her drink the woman to her right says, "I guess I should buy you a drink."

The old woman says, "All right. Bartender, I want a scotch and two drops of water."

"All right," says the bartender. As she finishes her drink, the man to her right says, "Since I'm the only one around you that hasn't bought you a drink, I guess I might as well buy you one."

The old woman says, "All right. Bartender I want a scotch and two drops of water."

"Coming right up," the bartender says. As he gives her the drink he says, "Ma'am, I'm dying of curiosity. Why the scotch and only two drops of water?"

The old woman replies, "Sonny, you learn that when you're my age, you can hold your liquor but you sure can't hold your water."

Time for a Riddle
A time when they are green, a time when they're brown, but both of these times, cause me to frown. But just in between, for a very short while. They’re perfect and yellow and cause me to smile! What am I?

Smart Beggar
A man walks past a beggar on the corner of the street where he works. The beggar holds out his one hand and the man drops a coin into his hand.
One day the man walks past the beggar again and notices the beggar is holding hold out both his hands. He asks: “Why are you holding out both of your hands?”
The beggar replied, "You see sir, business is going so well I decided to open another branch".

A Clear Conscience
A man wrote a letter to the IRS: “I have been unable to sleep knowing that I have cheated on my income tax. I understated my taxable income and have enclosed a check for $200.00. If I still can’t sleep, I will send the rest.”

ATTENTION: ALL ROOFING CONTRACTORS ARE NOT THE SAME!

What SW Roofing has done to solve the issues everyone has with Roofing Contractors:

1. REAL PEOPLE: We have a Live Person that answers your calls 24 Hours a day, 7 days a week. So you will never have to talk to an answering machine and hope someone will call you back.

2. REAL APPOINTMENTS: We respect YOUR time. We won’t give you a window of time we will be there. When you call us, we promptly schedule an exact day and time for us to come to your home to meet with you. We understand your time is valuable!

3. OUR TIME IS YOUR MONEY: At SW Roofing, we understand that the more trips we make to your home to finish a repair, it costs us more money, which means it costs you money too. We stock our truck with more materials so we can get the repair finished on our first trip, and this saves YOU money.

4. OUR PRICES ARE REAL: Have you ever worked with other contractors with the “time & material” contract? This is a great deal for the contractor because the longer they take to fix the issue, the more money THEY make. SW Roofing gives you an upfront price, so you know what the cost will be before we perform any work. We will even assist you, by giving you options, so you can make an educated decision about what’s best for YOUR home.

5. REAL SATISFACTION: Other Roofing Contractors have a guarantee of “When the Water Runs in, The Warranty Runs Out”. At SW Roofing, we give a 100% Satisfaction Guarantee, if you’re not completely satisfied with our work, we will come back and fix it for FREE!

THANK THE BUSINESS WHERE YOU PICKED UP THE ORANGE PEEL GAZETTE
Joe, a college student, was taking a course in ornithology, the study of birds. The night before the biggest test of the semester, Joe spent all night studying. He had the textbook nearly memorized. He knew his class notes backward and forward. Joe was ready.

The morning of the test, Joe entered the auditorium and took a seat in the front row. On the table in the front was a row of ten stuffed birds. Each bird had a sack covering its body, and only the legs were showing. When class started, the professor announced that the students were to identify each bird by looking at its legs and give its common name, species, habitat, mating habits, etc.

Joe looked at each of the birds' legs. They all looked the same to him. He started to get angry. He had stayed up all night studying for this test and now he had to identify birds by their LEGS? The more he thought about the situation, the angrier he got.

Finally he reached his boiling point. He stood up, marched up to the professor's desk, crumpled up his exam paper and threw it on the desk. "What a ridiculous test!" he told the prof. "How could anyone tell the difference between these birds by looking at their legs? This exam is the biggest rip-off I've ever seen!"

With that, Joe turned and stormed toward the exit. The professor was a bit shocked, and it took him a moment to regain his composure. Then, just as Joe was about to walk out the door, the prof shouted out, "Wait a minute, young man, what's your name?"

Joe turned around, pulled up his pant legs and hollered, "You tell me, prof! You tell me!"

Is He Really?
A mushroom walks into a bar one evening, sits down, and orders a drink.

The bartender then informs him that they do not serve mushrooms.

"Why not?" asks the mushroom, "I'm a fungi!"

Good Salesman
A store manager overheard one of his salesmen talking to a customer.
"No sir," said the salesman. "We haven't had any for awhile and it doesn't look like we'll be getting any soon."
The manager was horrified and yelled after the departing customer. "Come back next week. We're sure to have whatever it is you need."
Irate, he turned to his salesman, "Never tell a customer we're out of anything! NOW, WHAT DID HE WANT?"
"Rain," answered the salesman.

It's All In The Name
The manager of a large office asked a new employee to come into his office. "What is your name?" was the first thing the manager asked. "John," the new guy replied. The manager scowled. "Look, I don't know what kind of a namby-pamby place you worked at before, but I don't call anyone by their first name! It breeds familiarity and that leads to a breakdown in authority," he said. "I refer to my employees by their last name only - Smith, Jones, Baker - that's all. Now that we got that straight, what is your last name?" The new guy sighed and said, "Darling. My name is John Darling." The manager said, "Okay, John, the next thing I want to tell you...

The Donkey
A Cajun named, Jean Paul, moved to Texas and bought a donkey from an old farmer named Ben for $100. The farmer agreed to deliver the donkey the next day.
The next day, Ben drove up and said, "Sorry, but I have some bad news. The donkey died." Jean Paul replied, "Can't do that. I went and spent it already." Jean Paul asked Ben, "OK, then. Just unload the donkey," said Jean Paul. "What ya going to do with him?" asked Ben. "I'm going to raffle him off," said Jean Paul. "You can't raffle off a dead donkey!" uttered Ben. "Sure can. Watch me. I just won't tell that he's dead," said Jean Paul.
A month later Ben met up with the Cajun and asked, "What happened with that dead donkey?" "I raffled him off, I did. I sold 500-hunderd tickets at two dollars apiece and made a profit of $898," said Jean Paul. "Didn't anyone complain?" inquired Ben. "Just the guy who won. So I gave him his two dollars back," said Jean Paul.

The Rich Texan
A Texas Oil Tycoon and an Alaskan Oil Tycoon were debating on which state had the most oil. The Alaskan Oil Tycoon said, "Listen, there is so much oil in Alaska that I could buy enough gold to build a wall of solid gold 100 feet tall and 100 feet wide all the way around the state of Texas".

The Texas Oil Tycoon scratched his chin and adjusted his cowboy hat and said, "Well boy, I'll tell ya what...you just go ahead and build that wall, and if I like it.......I'll buy it".

The Computer Guy
"This little computer," said the sales clerk, “will do half your job for you.”

The senior manager studying the machine made his decision; “Fine, I’ll take two.”

Great Relationship
A husband and wife were at a party chatting with some friends when the subject of marriage counseling came up.
"Oh, we'll never need that. My husband and I have a great relationship," the wife explained. "He was a communications major in college and I majored in theater arts.
He communicates real well and I just act like I'm listening."

UFO?
Called to the scene of a magnificent celestial display, the professor watched as a bright object dashed through the skies over New Mexico. When he returned to his observatory, reporters asked him if what he had seen was really a UFO.
Looking them straight in the eye, the impassive scientist replied, “No comet”

Artic Scientists
When a warming trend hit the Artic, scientists were assigned to watch glaciers in danger of splitting. Naturally, all of the researchers had to have good ice sight.

Dear Neighbor:
I have great news for your wallet if your furnace is over 12 years old. Allow me to explain...Every year, the months of January, February, & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners guess how many to build to meet the demand. Of course, they’re never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Kane County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or “blem” or standard “builder” models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts
If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am “giving” you the furnace and all I ask for is the $941 in labor & material costs for installation.

Perfect Fit For Your Home
I will come out and measure your home (and determine the availability of the proper size). Don’t forget, I only have 22 matched Deluxe Systems in four sizes. When they are gone, this remarkable offer ends also. Just call 630-262-8484.

Absolutely No Obligation
After I completely explain the installation, there is absolutely no obligation. If you decide you don’t want to take advantage of the spectacular savings... That’s OK.

You Can Buy With NO Cash*
You don’t even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**
I’m so confident that you will save at least 25% on your heating and cooling bills (I’m projecting more like 30%), that I will pay you the difference for a year if you don’t! I’ll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn’t afford to make such a promise.

Why This Offer Can’t Last
I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are “given” away, that’s it. There are no more at this price. Call now at (630)262-8484 to set up an appointment for your no-obligation survey.

Warmly,

Chris Carpenter
