Better Late Than Never

Nora Bone was delivering a new skelton to the doctor's office. As she waited at the main desk, Nora was aware that the waiting room full of patients was staring at her. So she smiled and said, "I'm just bringing him in to Doctor Henderson."
An older lady said sympathetically, "My dear! Isn't it a bit late for the doctor?"

Wanna-be Mechanic

A man is applying for a job as mechanic that he really wants to get.

The boss says, "Can you roll your hard hat down your arm and pop it back on your head?"

The mechanic nods, confused.

"Can you play light saber with your wrench and another man's screwdriver?"

"Oh yes," says the mechanic.

"Can you bounce your screwdriver off the cement, grab it, whirl it around and put it in your belt like a gun?"

"Sir, I've been doing that for years!" says the wanna-be mechanic.

"Well in that case, I can't use you. I have 12 men doing that already!" says the boss.

Talking Alarm Clock

Late one night Kyle was showing off his new frat house to this friends. They saw a rather puzzling object and asked, "What's that big brass gong for?"

He replied, "Oh! Thats the talking alarm clock. Let me show you how it works."

He gave the gong an ear-splitting pound. Suddenly, a voice screamed, "Knock it off, man, it's 2 a.m.!"

What Day Is Today?

Over breakfast one morning, a woman said to her husband, "I bet you don't know what day this is."

"Of course I do," he indignantly answered, going out the door to the office.

At 10 AM, the doorbell rang and when the woman opened the door, she was handed a box containing a dozen long stemmed red roses.

At 1 PM, a foil wrapped, two pound box of her favorite chocolates arrived. Later, a boutique delivered a designer dress.

The woman couldn't wait for her husband to come home.

"First the flowers, then the chocolates and then the dress!" she exclaimed. "I've never had a more wonderful Groundhog Day in my life!"

Halloween Party

We're having a Halloween party at school.
I'm dressed up like Dracula. Boy, do I look cool!
I dyed my hair black, I'm wearing a cape and some
fake plastic fangs.

I put on some makeup to paint my face
My fingernails, too, are all pointed and red.
There's no doubt I look like an
evil vampire boy.

My mom drops me off and I run into school
and suddenly feel like the world's biggest fool.
The other kids stare like I'm some kind of freak.
The Halloween party is not till next week.

Any Last Requests?

The inmate on death row was scheduled to be put to death by firing squad the follow morning. Throughout the day, the prison guards were being very nice to him. But when they asked him if he wanted something specific for his last meal, he didn't want anything special. When they asked if there was something special he wanted to do, he said nothing. It went on like this all day.

Finally when he was put before the firing squad, the guard asked if he wanted a candy bar or a blindfold.

"No," the inmate said, "just get it over with."

"Well, is there anything that I can do for you before you go?" said the guard. "You didn't even want a special last meal!"

The inmate thought. "Actually," he said, "Music is my life. One thing I would really like would be to sing my favorite song, one whole time through, with no interruptions."

The guard nodded and told him to go ahead.

The inmate started, "One billion bottles of beer on the wall..."

Boasting About Race Records

Some race horses staying in a stable. One of them starts to boast about his track record. "In the last 15 races, I've won 8 of them!"

Another horse breaks in, "Well in the last 27 races, I've won 19!!"

"Oh that's good, but in the last 36 races, I've won 28!", says another, flicking his tail.

At this point, they notice that a greyhound dog has been sitting there listening. "I don't mean to boast," says the greyhound, "but in my last 90 races, I've won 88 of them!"

The horses are clearly amazed. "Wow!" says one, after a hushed silence. "A talking dog."

Old Apartment

I had just moved from an apartment to a house in the same small town. One day at the grocery store, I used the last of my personalized checks bearing my old address. The cashier examined the document and asked if everything on it was correct. I assured her that it was, and she started to put the check in the cash drawer. But then she inquired again if everything was accurate.

"Why do you ask?" I responded.

"Because," she replied, "my husband and I moved to this apartment yesterday, and I don't remember seeing you at breakfast."

Leave It To Johnny

Little Johnny greeted his grandmother with a hug and said, "I'm so happy to see you, Grandma. Now maybe Daddy will do the trick he has been promising us." The grandmother was curious. "What trick is that, dear?" she asked. The little boy replied, "I heard Daddy tell Mommy that he would climb the walls if you came to visit us again!"

Halloween Request

Mom, can you sew a costume for me? I've decided exactly what I want to be. I'd like to go as a monkey, so sew a costume with lots of hair. Oh wait, I think I'll go as a Princess with a crown! I just had the best idea! I want you to make me a mustard bottle costume.

Oh wait, I've changed my mind... I've got to be a Zombie Pirate.... You've got ten minutes, finish quick as you can.

Joke Cereal?

Once upon a time there was an island inhabited by little people called Trids.

The Trids were a peaceful group of people who never caused any trouble to anyone. Once a month a Troll came down out of the mountains and kicked the Trids. This went on for several months and soon they got together and went to the village Rabbi.

They asked the Rabbi to speak to the Troll about his actions and to ask him to stop. The Rabbi agreed and the next time the Troll came down he said "Why don't you ever pick on someone your own size? Why don't you ever kick Trolls your own size?"

The Troll looked down at the Rabbi and smiled. Then he said... "Silly Rabbi! Kicks are for Trids!"

New Employee

Several weeks after a young man had been hired, he was called into the personnel director's office. "What is the meaning of this?" the director asked. "When you applied for this job, you told us you had five years experience. Now we discovered this is the first job you've ever held."

"Well," the young man replied, "in your advertisement you said you wanted somebody with imagination."

Afraid To Fly

Taxiing down the tarmac, the jetliner abruptly stopped, turned around and returned to the gate. After an hour long wait, it finally took off.

A concerned passenger asked the flight attendant, "What was the problem?"

"The pilot was bothered by a noise he heard in the engine," he explained.

"It took us awhile to find a new pilot."

102 DALMATIONS

The movie "102 Dalmatians" is set to release this weekend. However, in Florida it's only going to be "97 Dalmatians." Palm Beach County has decided to throw out 5 of them because the dots were in the wrong place.

Smart Student

“Some plants,” said the teacher, “have the prefix dog. For instance, there is the dogrose, the dogwood and the dogviolet. Who can name another plant prefixed with dog?”

“I can,” shouted a little boy in the back row,“Collie flower.”

Marriage

Father: "Can you support her in the way she's been accustomed to?"
Prospective Son-In-Law: "No, perhaps I cannot support her in the manner she has been accustomed to, but I can support her in the way her mother was accustomed to when she was first married."

- - - - - - - - - - -

Father: "Don't you think our son gets all his brains from me?"
Mother: "Probably, I still have all mine."

Little Known Fact

Don Perignon, a French monk, made the first champagne in 1670. He was also the first to put corks in wine bottles.

Quick One Liners

•A friend of mine once sent me a post card with a picture of the entire planet Earth taken from space. On the back it said, "Wish you were here."

• I've been doing a lot of abstract painting lately, extremely abstract. No brush, no paint, no canvas, I just think about it.

•One time I went to a museum where all the work in the museum had been done by children. They had all the paintings up on refrigerators.

•Last time I went to the movies I was thrown out for bringing my own food. My argument was that the concession stand prices are outrageous. Besides, I haven't had a Bar-B-Que in a long time.

How to Keep Healthy levels of Insanity in your Life...

At lunch time, sit in your parked car w/sunglasses on and point a hair dryer at passing cars. See if they slow down.

Every time someone asks you to do something, ask if they want fries with that.

Encourage your colleagues to join you in a little synchronized chair dancing.

Put decaf in the coffee maker for 3 weeks. Once everyone has gotten over their caffeine addictions, switch to espresso.

Adjust the tint on your monitor so that the brightness level lights up the entire work area. Insist to others that you like it that way.

As often as possible, skip rather than walk.

Find out where your boss shops and buy exactly the same outfits. Wear them one day after your boss does. (This is especially effective if your boss is of the opposite gender.)

Send e-mail to the rest of the company to tell them what you're doing. For example, "If anyone needs me, I'll be in the bathroom, in Stall #3."

Put mosquito netting around your cubicle. Play a tape of jungle sounds all day.

Have your coworkers address you by your wrestling name, Thunder.

When the money comes out of the ATM, scream "I Won!", "I Won!" "3rd time this week!!!"

When leaving the zoo, start running towards the parking lot, yelling "Run for your lives, they're loose!"

Every time you see a broom, yell "Honey, your mother is here!"

And the final way: Read the Orange Peel Gazette Daily and Share the Fun with Others!

ONE BAD DAY

There was this little guy sitting inside a bar, just looking at his drink. He didn't move for a half-an-hour. Then, this big trouble-making truck driver stepped up right next to him, took the drink from the guy, and just drank it all down. The poor man started crying.

The truck driver turned and said: "Come on man, I was just joking. Here, I'll buy you another drink. I just can't stand to see a man crying."

"No, it's not that. Today is the worst day of my life. First, I overslept and was late for an important meeting. My boss became outraged and fired me. When I left the building for my car, I found out that it was stolen. The police said they could do nothing. I then got a cab to return home, and after I paid the cab driver and the cab had gone, I found that I left my wallet in the cab. I got home only to find my wife had left me. I left home depressed and came to this bar. And now, when I was thinking about putting an end to my life, YOU show up and drink my poison."

Three Old Sisters ...

Three old sisters--92, 94, and 96 years old, respectively, all lived together. One day the oldest drew a bath. She put one foot in the water, paused, then called downstairs to her sisters, "Am I getting in the tub or out of the tub?"

The middle sister started up the stairs to help, then paused and called back downstairs, "Was I going up or coming down?"

The youngest sister, who was sitting at the kitchen table having tea, said, "I guess I'll have to help. I hope I never get that forgetful!" and knocked on wood. She got up then, paused, and called, I'll come up as soon as I see who's at the door!"

My cell phone is acting up,
I keep pressing the home button
but when I look around,
I'm still at work.

How to Grow Pumpkins

Farmer Johnston was driving his tractor along the road with a bucket full of fertilizer. Our 6 year old, Alex saw the farmer and asked, "What are you gonna do with all that smelly stuff?"

'Put it on my pumpkins,' answered the farmer.

Alex replied, 'You ought to come and eat with us, we put ice-cream on our pumpkin pie.'

Fussing Over Your Wife

Joe had asked Bob to help him out with the deck after work, so Bob went straight over to Joe's place.

When they got to the door, Joe went straight to his wife, gave her a hug and told her how beautiful she was and how much he had missed her at work. When it was time for supper, he complimented his wife on her cooking, kissed her and told her how much he loved her.

Once they were working on the deck, Bob told Joe that he was surprised that he fussed so much over his wife. Joe said that he'd started this about 6 months ago, it had revived their marriage and things couldn't be better.

Bob thought he'd give it a go. When he got home, he gave his wife a massive hug, kissed her and told her that he loved her. His wife burst into tears.

Bob was confused and asked why she was crying. She said, "This is the worst day of my life. First, little Billy fell off his bike and twisted his ankle. Then, the washing machine broke and flooded the basement, and now, you come home drunk!"

"Puppies For Sale"

A Store owner was tacking a sign above his door that read "Puppies for Sale". These signs have a way of attracting children.

Soon a little boy appeared at the sign and asked, "How much are you gonna sell those puppies for?".

The store owner replied, "Anywhere from $30-$50."

The little boy reached into his pocket and pulled out some change. "I have $2.37, can I look at them?"

The store owner smiled and whistled. Out of the kennel came his dog named Lady, running down the aisle of his store followed by five little puppies. One puppy was lagging considerably behind.

Immediately the little boy singled out the lagging, limping puppy. He asked, "What's wrong with that little dog?" The man explained that when the puppy was born the vet said that this puppy had a bad hip socket and would limp for the rest of his life.

The little boy got really excited and said, "That's the puppy I want to buy!"

The man replied "No, you don't want to buy that little dog. If you really want him, I'll give him to you."

The little boy got upset. He looked straight into the man's eyes and said "I don't want you to give him to me. He is worth every bit as much as the other dogs and I'll pay the full price. In fact I will give you $2.37 now and 50 cents every month until I have him paid for."

The man countered, "You really don't want to buy this puppy son. He is never gonna be able to run, jump and play like other puppies."

The little boy reached down and rolled up his pant leg to reveal a badly twisted, crippled left leg supported by a big metal brace. He looked up at the man and said, "Well, I don't run so well myself and the little puppy will need someone who understands."

The man was now biting his bottom lip. Tears welled up in his eyes....He smiled and said, "Son, I hope and pray that each and every one of these puppies will have an owner such as you."

Lesson: In life, it doesn't matter who you are, but whether someone appreciates you for what you are, accepts you and loves you unconditionally.

My First Golf Lesson

The schoolteacher was taking her first golfing lesson.

"Is the word spelt p-u-t or p-u-t-t?" she asked the instructor.

"P-u-t-t is correct," he replied.

"Put means to place a thing where you want it. Putt means merely a vain attempt to do the same thing."

What Will You Do For Golf?

Four married guys go golfing on Sunday. During the 3rd hole the following conversation ensued:

First Guy: "Man, you have no idea what I had to do to be able to come out golfing this weekend. I had to promise my wife that I will paint every room in the house next weekend."

Second Guy: "That's nothing, I had to promise my wife that I will build her a new deck for the pool."

Third Guy: "Man, you both have it easy! I had to promise my wife that I will remodel the kitchen for her."

They continue to play the hole when they realized that the fourth guy has not said a word. So they ask him. "You haven't said anything about what you had to do to be able to come golfing this weekend. What's the deal?"

Fourth Guy: "I don't want to talk about it. Let's just say that the foundation for the new house is being poured next Tuesday."

Mad Cow Disease

There were these two cows, chatting over the fence between their fields.

The first cow said, "I tell you, this mad-cow-disease is really pretty scary. They say it is spreading fast; I heard it hit some cows down on the Johnson Farm."

The other cow replies, "I ain't worried, it don't affect us ducks."

This Dog Loves People

The following is supposedly a true story.

A normally sweet Great Dane Phil has one quirk: she hates United Parcel Service drivers.

While walking Phil one day, around the corner of a house came a UPS man.

Struggling to keep hold of Phil, the owner tried to ease the situation said, "As you can see, he just loves UPS men."

"Don't you feed him anything else?" he responded.
