Just Getting My Steps In

One of my wife's third grade students was wearing a Fitbit watch, which prompted my wife to ask, "Are you tracking your steps?"

"No," said the little girl. "I wear this for Mommy so she can show Daddy when he gets home."

I couldn't decide whether to go to Salt Lake City or Denver for vacation, so I called the airlines to get prices. "Airfare to Denver is $300," the cheery salesperson replied.

"And what about Salt Lake City?"

"We have a really great rate to Salt Lake—$99," she said "But there is a layover."

"Where?"

"In Denver," she said.

Broke

A man goes into the doctor. He says, "Doc, you gotta check my leg. Something's wrong. Just put your ear up to my thigh, you'll hear it!"

The doctor cautiously placed his ear to the man's thigh only to hear, "Gimme 20 bucks, I really need 20 bucks."

"I've never seen or heard anything like this before, how long has this been going on." The doctor asked.

"That's nothing Doc. Put your ear to my knee." The doctor put his ear to the man's knee and heard it say "Man, I really need 10 dollars, just lend me 10 bucks!!"

"Sir, I really don't know what to tell you. I've never seen anything like this." The doctor was dumbfounded.

"Wait Doc, that's not it. There's more, just put your ear up to my ankle," the man urged him.

The doctor did as the man said and was blown away to hear his ankle plead, "Please, I just need 5 dollars. Lend me 5 buck please if you will."

I have no idea what to tell you," the doctor said. "There's nothing about it in my books," he said as he frantically searched all his medical reference books. "I can make a well educated guess though."

"Based on life and all my previous experience I can tell you that your leg seems to be broke in three places."

Lifeguards VS. Life Coaches

L.A. public pools don't have lifeguards—They have life coaches. If they see you struggling in the water, they say, "Are you happy with the decisions you're making?" and give you a pamphlet for a yoga studio.

Does anyone else wish the manufacturers would write SHAMPOO and CONDITIONER in a bigger font so we can read it in the shower without our specs!

French Not Spanish

I taught High School Spanish. The homework assignment for my Spanish class this week was to write a paragraph. When I returned their papers, I asked one student if he had used Google Translate or any other online translator to write his paper. He categorically denied doing so. That led to my next question: "Then why is this in French?"

New word: Procaffeinating (n). - the tendency to not start anything until you've had your coffee.

We use a really strong sunblock when we go to the beach with the kids. It's SPF 80: You squeeze the tube, and a sweater comes out.

Don't Kiss!

Wife: "Our new neighbor always kisses his wife when he leaves for work. Why don't you do that?"

Husband: "How can I? I don't even know her."

Not a Short Order Cook!

Wife: Do you want dinner?

Husband: Sure, what are my choices?

Wife: Yes and no.

Daily Walk

A Dachshund and a Labrador are walking together when the Dachshund suddenly unloads on his friend.

"My life is a mess," he says. "My owner is mean, my girlfriend ran away with a Pomeranian and I'm as jittery as a cat."

"Why don't you go see a psychiatrist?" suggests the Labrador.

"I can't. I'm not allowed on the couch."

The Phychic said

A high school senior visited a psychic. "I've applied to 10 different colleges," the student said. "Which ones will accept me? Which one will I attend?"

"That is hard to say," said the psychic. "But you will spend an absurd sum of money."

"How do you know this?" the student asked.

The psychic replied …"It's mostly intuition."

I saw a pack of gummy worms today that said, "No artificial flavor." Who buys gummy worms hoping they'd taste as close to real worms as possible?

Five Tips For A Woman:

1. It's important that a man helps you around the house and has a job.
2. It's important that a man makes you laugh.
3. It's important to find a man you can count on and doesn't lie to you.
4. It's important that a man loves and spoils you.
5. It's important that these 4 men don't know each other.

Just Visiting

My mom moved into a new condo, and I went to visit for a couple of days. Searching for a coffee cup one morning, I sighed, "It seems like I'm always looking for something in your kitchen."

"That's good," Mom said. When I looked confused, she explained, "Because when you know where everything is, it's time to go home."

Following A Friend

Two old friends, Ned and John, lived for baseball. Then one day, John died, leaving Ned inconsolable.

A few weeks later, Ned heard someone calling his name. He looked up. Standing on a cloud was his old pal. "Ned," John called down, "I have good news and bad. The good news is, there's baseball in heaven!"

"Great," said Ned. "What's the bad news?"

"You're pitching Sunday."

Meeting Mom

My cousin was in love and wanted to introduce his bride-to-be to his hypercritical mother. But in order to get an unbiased opinion, he invited over three other female friends as well and didn't tell his mom which one he intended to marry.

After the four women left, he asked his mother, "Can you guess which one I want to marry?"

"The one with short hair."

"Yes! How'd you know?"

"Because that's the one I didn't like."

Eat the Colors

Over dinner, I explained the health benefits of a colorful meal to my family. "The more colors, the more variety of nutrients," I told them. Pointing to our food, I asked, "How many different colors do you see?"

"Six," volunteered my daughter. "Seven if you count the burned parts."

Hindsight is 20-20

Soon after our last child left home for college, my husband was resting next to me on the couch with his head in my lap. I carefully removed his glasses.

"You know, honey," I said sweetly, "Without your glasses you look like the same handsome young man I married."

"Honey," he replied with a grin, "Without my glasses, you still look pretty good too!"

The Three hardest things to say are:

1. I was wrong
2. I need help
3. Worcestershire Sauce

What did the hot dog say when his friend passed him in the race?

Wow, I relish the fact that you've mustard the strength to ketchup to me.

OUT OF IT

When I overheard one of my cashiers tell a customer, "We haven't had it for a while, and I doubt we'll be getting it soon," I quickly assured the customer that we would have whatever it was she wanted by next week. After she left, I read the cashier the riot act.

"Never tell the customer that we're out of anything. Tell them we'll have it next week," I instructed her. "Now, what did she want?"

"Rain."
