Sibling Education

Troy, a first grader said to his mother, "Mom, the teacher was asking me today if I have any younger brothers or sisters who will be coming to school."

Troy's mother replied "That's nice of her to take such an interest, dear. What did she say when you told her you are the youngest child?"

She just said, "Thank goodness!"

“GIVING AWAY”
Furnaces For \$941 WITH OFF-SEASON
AIR CONDITIONING

If you qualify, local utilities may offer up to \$650 in rebates towards your new system.

Dear Neighbor:

I have great news for your wallet if your furnace is over 12 years old. Allow me to explain...Every year, the months of January, February, & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Kane County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or “blems” or standard “builder” models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts

If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am “giving” you the furnace and all I ask for is the \$941 in labor & material costs for installation.

Perfect Fit For Your Home

I will come out and measure your home (and determine the availability of the proper size). Don't forget, I only have

22 matched Deluxe Systems in four sizes. When they are gone, this remarkable offer ends also. Just call 630-262-8484.

Absolutely No Obligation

After I completely explain the installation, there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings... That's OK.

You Can Buy With NO Cash*

You don't even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**

I'm so confident that you will save at least 25% on your heating and cooling bills (I'm projecting more like 30%), that I will pay you the difference for a year if you don't! I'll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn't afford to make such a promise.

Why This Offer Can't Last

I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are “given” away, that's it. There are no more at this price. Call Bre now at (630)262-8484 to set up an appointment for your no-obligation survey.

Warmly,

Chris Carpenter

scent of dish soap.

Nobody warned me that adulthood
was going to be such a non-stop thrill ride.

The Tiny Cabin

A social worker from a big City in Massachusetts recently transferred to the Mountains of North Carolina and was on the first tour of her new territory when she came upon the tiniest cabin she had ever seen in her life.

Intrigued, she went up and knocked on the door.
'Anybody home?' she asked.

'Yep,' came a kid's voice through the door.

'Is your father there?' asked the social worker.

'Pa? Nope, he left afore Ma came in,' said the kid.

'Well, is your mother there?' persisted the social worker.

'Ma? Nope, she left just afore I got here,' said the kid.

'But,' protested the social worker, 'are you never together as a family?'

'Sure, but not here,' said the kid through the door.

'This is the Outhouse!'

I didn't realize how bad a driver I am until my
navigation app said, "In 400 feet, make a slight
right, stop and let me out."

The Bar

A guy goes into a bar. He's sitting on the stool, enjoying his drink when he hears, "You look great!" He looks around - there's nobody near him. He hears the voice again, "No really, you look terrific."

The guy looks around again. Nobody. He hears, "Is that a new shirt or something? Because you are absolutely glowing!" He then realizes that the voice is coming from a dish of nuts on the bar.

"Hey," the guy calls to the bartender, "What's with the nuts?"

"Oh," the bartender answers, "They're complimentary."

Bed Time

The father is telling his son stories to help him sleep. The only sound is the murmur of dad's voice. Two hours pass, and there's silence in the room. The mother creeps to the door and whispers, "Is he asleep, dear?"

"Yes, Mommy" says her son.

Porcupine Encounter

A local veterinarian in the Northeast was known for his wry humor. He surpassed himself one summer day when a city dog was brought to him after an encounter with a porcupine.

After almost an hour of prying, pulling, cutting and stitching, he returned the dog to its owner, who asked what she owed.

"Fifteen hundred dollars, Ma'am," he answered.

"Why that's simply outrageous!" she stormed. "That's what's wrong with you Maine people, you're always trying to overcharge summer visitors. What do you do in the winter, when we're not being taken advantage of here?"

"We raise porcupines, Ma'am," came the quick reply.

Broken Turn Signal

Two friends were driving home one night when one asked the other to check if the car's signals were working. He promptly stuck his head out the window and yelled, "Yes, no, yes, no, yes, no, yes, no."

Canine Movie Review

A man follows a woman out of a movie theater. She has a dog on a leash.

He stops her and says, "I'm sorry to bother you, but I couldn't help but notice that your dog was really into the movie. He cried at the right spots, he moved nervously in his seat at the boring parts, but most of all, he laughed like crazy at the funny parts. Did you find that unusual?"

"Yes," she replied, "I found it very unusual... because he hated the book!"

Warranty Claim

An angry client went back to the automobile garage where he'd purchased an expensive battery for his car six months earlier.

"Listen," the motorist grumbled to the owner of the garage, "when I bought this battery you said it would be the last battery my car would ever need. It died after only six months!"

"Sorry," apologized the garage owner. "I didn't think your car would last longer than that."

Faulty Bag

It was very crowded at the supermarket, and the customer in front of me had a large order.

As the harried looking clerk lifted the final bag for her, its bottom gave way, sending the contents crashing to the floor.

Apologizing, the clerk turned to the customer and said, "I'm sorry, but they just don't make these bags like they used to."

"You're right," replied the customer. "That was supposed to happen in my driveway!"

Fatherly Knowledge

A father and son went fishing one day. After a couple hours out in the boat, the boy suddenly became curious about the world around him. He asked his father, "How does this boat float?"

The father thought for a moment, then replied, "I don't really know, son."

The boy returned to his contemplation, then turned back to his father, "How do fish breath underwater?"

Once again the father replied, "Don't really know, son."

A little later the boy asked his father, "Why is the sky blue?"

Again, the father replied, "Don't really know, son."

Worried he was going to annoy his father, he said, "Dad, do you mind me asking you all of these questions?"

"Of course not son. How else are you ever going to learn anything?" replied his father.

As you get older, you've got to stay positive. For example, the other day I fell down the stairs. Instead of getting upset, I just thought, "Wow, that's the fastest I've moved in years!"

A Simple Explanation of Baseball

This is a game played by two teams, one out the other in. The one that's in, sends players out one at a time, to see if they can get in before they get out. If they get out before they get in, they come in, but it doesn't count. If they get in before they get out it does count.

When the ones out get three outs from the ones in before they get in without being out, the team that's out comes in and the team in goes out to get those going in out before they get in without being out.

When both teams have been in and out nine times the game is over. The team with the most in without being out before coming in wins unless the ones in are equal. In which case, the last ones in go out to get the ones in out before they get in without being out.

The game will end when each team has the same number of ins out but one team has more in without being out before coming in.

Kittens

A three-year-old boy went with his dad to see a new litter of kittens. On returning home, he breathlessly informed his mother, "There were two boy kittens and two girl kittens."

"How did you know that?" his mother asked.

"Daddy picked them up and looked underneath," he replied. "I think it's printed on the bottom."

Wine List

Can't we just get rid of wine lists? Do we really have to be reminded every time we go out to a nice restaurant that we have no idea what we are doing? Why don't they just give us a trigonometry quiz with the menu?

The Golfer

A golfer hit his drive on the first hole 300 yards right down the middle. When it came down, however, it hit a sprinkler and the ball went sideways into the woods. He was angry, but he went into the woods and hit a very hard 2 iron which hit a tree and bounced back straight at him. It hit him in the temple and killed him.

He was at the Pearly Gates and St. Peter looked at the big book and said, "I see you were a golfer, is that correct?"

"Yes, I am," he replied.

St. Peter then said, "Do you hit the ball a long way?"

The golfer replied, "You bet. After all, I got here in 2, didn't I?"

Apprehensive, Not Scared

As a sergeant in a parachute regiment I took part in several night time exercises. Once, I was seated next to a Lieutenant fresh from Jump School. He was quite sad and looked a bit pale so I struck up a conversation.

"Scared, Lieutenant?", I asked.

He replied, "No, just a bit apprehensive."

I asked, "What's the difference?"

He replied, "That means I'm scared with a university education."

Nervous Habit

Two elderly women were fussing about their husbands over tea one day.

"I do wish my Leroy would stop biting his nails. That makes me terribly nervous!" the first one said.

"Oh, my Elmer used to do the same thing," the other woman commented. "But I broke him of that habit real quick."

"What did you do?"

"I hid his teeth!"

Wrong Advertising

The little church in the suburbs suddenly stopped buying from its regular office supply dealer. So, the dealer telephoned Deacon Brown to ask why.

"I'll tell you why," said Deacon Brown. "Our church ordered some pencils from you to be used in the pews for visitors to register."

"Well," interrupted the dealer, "didn't you receive them yet?"

"Oh, we received them all right," replied Deacon Brown.

"However, you sent us some golf pencils...each stamped with the words, 'Play Golf Next Sunday!'."

•The trouble with being punctual is that nobody's there to appreciate it. ~Franklin P. Jones
