Service Now Heating Helping ~~13~~ ²² Homeowners by "GIVING AWAY" Furnaces For \$941 WITH OFF-SEASON AIR CONDITIONING

If you qualify, local utilities may offer up to \$650 in rebates towards your new system.

Dear Neighbor:

I have great news for your wallet if your furnace is over 12 years old. Allow me to explain...Every year, the months of January, February, & March can be slow for my business. I employ great people and want to keep them working during these long, slow months. That is why I've come up with a Win Win Situation for both of us.

Every year, the big manufacturers of furnaces & air conditioners guess how many to build to meet the demand. Of course, they're never exactly right. So, they always have some inventory that they must hold over until the next summer season. I went to one of these companies and contracted for the purchase of twenty-two Deluxe furnaces and air conditioners in the four most popular sizes used in Kane County. And, because of the quantity and time of year, I was able to buy them at drastically reduced prices.

They are brand-new Deluxe Models. They are NOT the seconds or "blem" or standard "builder" models. They are factory-fresh furnaces and air conditioners and have a full 10-year factory warranty.

How To Get A Furnace For Peanuts

If you are interested in a new heating/cooling system (but only if one of the four sizes I have will fit your house, of course), I am "giving" you the furnace and all I ask for is the \$941 in labor & material costs for installation.

Perfect Fit For Your Home

I will come out and measure your home (and determine the availability of the proper size). Don't forget, I only have

22 matched Deluxe Systems in four sizes. When they are gone, this remarkable offer ends also. Just call 630-262-8484.

Absolutely No Obligation

After I completely explain the installation, there is absolutely no obligation. If you decide you don't want to take advantage of the spectacular savings... That's OK.

You Can Buy With NO Cash*

You don't even have to pay me right away. I have set up a terrific 0%* payment plan.

Fuel Efficiency Guarantee**

I'm so confident that you will save at least 25% on your heating and cooling bills (I'm projecting more like 30%), that I will pay you the difference for a year if you don't! I'll show you exactly how this works. If these heating and air conditioning systems were not among the best on the market, I couldn't afford to make such a promise.

Why This Offer Can't Last

I only have a few of each of the four sizes. When all of the air conditioners are sold and all the furnaces are "given" away, that's it. There are no more at this price. Call Bre now at (630)262-8484 to set up an appointment for your no-obligation survey.

Warmly,

Chris Carpenter

*With approved credit. Ask for Details. **With high efficiency upgrade.

Wouldn't it be great if we could put ourselves in the dryer for 10 minutes and come out wrinkle-free... and three sizes smaller?

Drinking, Fishing and Hunting

I was walking down the street when I was accosted by a particularly dirty and shabby-looking homeless man who asked me for a couple of dollars for dinner. I took out my wallet, extracted ten dollars and asked, "If I give you this money, will you buy some beer with it instead of dinner?"

"No, I had to stop drinking years ago," the homeless man replied.

"Will you use it to go fishing instead of buying food?" I asked.

"No, I don't waste time fishing," the homeless man said. "I need to spend all my time trying to stay alive."

"Will you spend this on hunting equipment?" I asked.

"Are you NUTS!" replied the homeless man. "I haven't gone hunting in 20 years!"

"Well," I said, "I'm not going to give you money. Instead, I'm going to take you home for a shower and a terrific dinner cooked by my wife."

The homeless man was astounded. "Won't your wife be furious with you for doing that?"

I replied, "Don't worry about that. It's important for her to see what a man looks like after he has given up drinking, fishing and hunting."

I danced like no one was watching,
but someone **WAS** watching
and he thought
I was having a seizure,
and called an ambulance.

Webster's Dictionary

Like a lot of husbands throughout history, Webster would sit down and try to talk to his wife. But, as soon as he would start to say something, his wife would ask, "And what's that supposed to mean?" And so, Webster's Dictionary was born.

What do they call the Irish jig at McDonalds?

- A Shamrock Shake!

Last Request

Two men, sentenced to die in the electric chair on the same day, were led down to the room in which they would meet their maker. The priest had given them last rites, the formal speech had been given by the warden, and a final prayer had been said among the participants. The Warden, turning to the first man, solemnly asked, "Son, do you have a last request?" To which the man replied, "Yes sir, I do. I love dance music. Could you please play The Macarena for me one last time?"

"Certainly," replied the warden. He turned to the other man and asked, "Well, what about you, son? What is your final request?"

"Please," said the condemned man, "kill me first."

Did some financial planning and it looks like I can retire at 62 and live comfortably for eleven minutes.

You're Lost Between the Baby Boom and Gen-X If .

1. You remember when Jordache jeans with a flat handle comb in the back pocket was cool.
2. In your class picture you were wearing an Izod shirt with the collar up.
3. You know by heart the words to any Weird Al Yankovic song.
4. You ever rang someone's doorbell and said "Landshark!"
5. Three words: ATARI, IntelliVision and Coleco, sound familiar.
6. You remember the premier of MTV, in fact, you remember the Friday Night Videos before the days of MTV.
7. A predominant color in your childhood photos is plaid.
8. While in high school, you and your friends discussed elaborate plans to get together again at the end of the century and play Prince's "1999" until you passed out partying.
9. You remember when music that was labeled alternative, really was alternative.
10. You took family trips BEFORE the invention of the minivan.
11. You rode in the back of the station wagon and you faced the cars behind you.
12. You've recently horrified yourself by using any one of the following phrases: When I was younger... When I was your age...You know, back when...
13. Schoolhouse Rock played a HUGE part in how you actually learned the English language.

For each petal on the Shamrock This brings a wish your way- good health, good luck and happiness for today and everyday.

You know what's worse than listening to your baby crying? Listening to your husband snoring while the baby is crying.

Raising Chickens

A city slicker moves to the country and decides he's going to take up farming. He heads to the local co-op and tells the man, "Give me 100 baby chickens." The co-op man complies.

A week later the man returns and says, "Give me 200 baby chickens." The co-op man complies.

Again, a week later the man returns. This time he says, "Give me 500 baby chickens."

"Wow!" the co-op man replies, "You must really be doing well!"

"Naw," said the man with a sigh, "I'm either planting them too deep or too far apart!"

Flying Pet

A couple shared their apartment with a parakeet named "Nicky."

The exterminator was scheduled to come, so they put Nicky in the bedroom and hung a sign on the door: "Please skip this room. Do not open door. Pet flies."

The exterminator came. On his receipt he wrote this comment: "Finished all of the apartment except room with pet flies."

When Irish eyes are smiling, they're usually up to something.

Family Quarrel

A young couple drove several miles down a country road, not saying a word. An earlier discussion had led to an argument, and neither wanted to concede their position.

As they passed a barnyard of mules and pigs, the husband sarcastically asked, "Are they relatives of yours?"

"Yes," his wife replied. "I married into the family."

~ ~ Old Age Is Golden ~ ~

Old age is golden so I've heard said, But sometimes I wonder as I crawl into bed; with my ears in a drawer, my teeth in a cup, my eyes on the table until I wake up. As sleep dims my vision, I say to myself; Is there anything else I should place on the shelf? How do I know my youth is all spent? My get up and go has got up and went! But in spite of it all, I'm able to grin and think of all the places my get up has been.
