Cab Ride

On a business trip to India, I arrived at the airport in Delhi and took a taxi to my hotel, where I was greeted by my hospitable Indian host.

The cab driver requested the equivalent of eight dollars U.S. for the fare. It seemed reasonable, so I started to hand him the money. But my host grabbed the bills and initiated a verbal assault upon the cabbie, calling him a worthless parasite and a disgrace to their country for trying to overcharge visitors. My host threw half the amount at the driver and told him never to return. As the taxi sped off, my host gave me the remaining bills and asked, "How was your trip?"

"Fine ... until you chased the cab away with my luggage in the trunk."

Dear sweet, tiny Baby Yoda,
Thank you for providing us with endless fun-filled hours looking at your sweet face, instead of watching boring fighting and stuff going on in the world on tv. If you could wave your tiny hand and make them all hug, that would be really cool. But I mean, only if you want to.

Redneck Naming

Billy Bob's pregnant sister was in a terrible car accident and went into a deep coma. After being in the coma for nearly six months, she wakes up and sees that she is no longer pregnant. Frantically, she asks the doctor about her baby.

The doctor replies, "Ma'am, you had twins! A boy and a girl. The babies are fine and your brother came in and named them."

The woman thinks to herself, "Oh no, not my brother... he's an idiot!" Expecting the worst, she asks the doctor, "Well, what's the girl's name?"

"Denise," says the doctor.

The new mother says, "Wow, that's a beautiful name! I guess I was wrong about my brother. I like Denise." Then she asks, "What's the boy's name?"

"Denephew."

If I got rid of everything that
didn't "Spark Joy",
I'd be on the side of the road
holding my dog and coffee maker.

- If there are over three electronic talking fish inside your home... you might be a redneck.
- If your cousins put out a rap record and it goes aluminum.... You might be a redneck.

To Mom:

I'm hungry...
I'm cold...
I'm hot...
Can I have...
I want to watch...
Where are you?
Can you ask Dad?
Can you help me...
He hurt me...
She hurt me...
I want to go to...
When are we...?
Why are we...?
Why can't I...?

To Dad:

Where's
Mom?

Biggest Liar

Two boys were arguing when the teacher entered the room. The teacher asked, "Why are you arguing?"

One boy answered, "We found a ten-dollar bill and decided to give it to whoever tells the biggest lie."

"You should be ashamed of yourselves," said the teacher. "When I was your age, I didn't even know what a lie was."

The boys gave the ten dollars to the teacher.

A Prayer For Moms and Dads

Now I lay me down to sleep,
I pray my sanity to keep.
For if some peace I do not find,
I'm pretty sure I'll lose my mind.

I pray I find a little quiet
Far from the daily family riot
May I lie back--not have to think
about what they're stuffing down the sink,
or who they're with, or where they're at
and what they're doing to the cat.

I pray for time all to myself
(did something just fall off a shelf?)

To cuddle in my nice, soft bed
(Oh no, another goldfish--dead!)

Some silent moments for goodness sake
(Did I just hear a window break?)

And that I need not cook or clean--
(well heck, I've got the right to dream)

Yes now I lay me down to sleep,
I pray my wits about me keep,
But as I look around I know--
I must have lost them long ago!

THANK THE BUSINESS WHERE YOU PICKED UP THE ORANGE PEEL GAZETTE

Won't Cook

I put a roast in the oven one noon hour and set the timer, a feature I hadn't used yet. Before leaving work that afternoon, I phoned my 14-year-old son to ask him to check the roast and peel some potatoes. Minutes later he called back. "Mom, the roast isn't cooked. The oven didn't come on."

The roast was on the menu again the following day, but this time, since I stopped by the house after a business lunch, I decided to turn the oven on myself. Again before leaving work, I called my son to check the roast and get the potatoes started. Again he called me back. "The roast still isn't cooked."

"Listen," I said. "I know the oven's on. I turned it on before I left. I didn't use the timer."

"Oh, the stove's working fine," he told me. "It's just that the roast is still in the refrigerator."

But Daddy....

My husband and I took our 4 year old daughter to the home improvement store. Madison got tired of walking, so my husband let her ride on his shoulders. As he walked, Madison began pulling his hair. Although he asked her to stop several times, she kept on. Getting annoyed, he scolded, "Madison! Stop that pulling my hair!"

"But, Daddy," she replied, I'm just trying to get my gum back.

Shoplifter

A shoplifter was caught red-handed trying to steal a watch from an exclusive jewelry store. "Listen," said the shoplifter, "I know you don't want any trouble either. What do you say I just buy the watch, and we forget about this?"

The manager agreed and wrote up the sales slip. The crook looked at the slip. "This is a little more than I intended to spend. Can you show me something less expensive?"

First Salute

The first salute received by a freshly commissioned Second Lieutenant is always significant. It symbolizes authority and prestige.

When I pinned on my new Air Force gold bars and stepped out to face the world, I encountered a staff sergeant.

He gave me a snappy salute and said, "Good morning, Lieutenant. Your hat is on backwards, sir."

Three Day Silence

My wife has not spoken to me in three days. I think it has something to do with what happened on Sunday night when she thought she heard a noise downstairs.

She nudged me and whispered, "Wake up, wake up!"

"What's the matter?" I asked.

"There are burglars in the kitchen. I think they're eating the tuna casserole I made tonight."

"That'll teach them!" I replied.

Friends for Decades

Two elderly ladies had been friends for many decades.

Over the years they had shared all kinds of activities and adventures. Lately, their activities had been limited to meeting a few times a week to play cards.

One day they were playing cards when one looked at the other and said,

"Now don't get mad at me.....I know we've been friends for a long time but I just can't think of your name! I've thought and thought, but I can't remember it. Please tell me what your name is."

Her friend glared at her. For at least three minutes she just stared and glared at her.

Finally she said, "How soon do you need to know?"

Nobody is more full of false hope than a Mom who places items on the stairs for her family members to carry up.

Mental Health

The psychology professor had just finished a lecture on mental health and was giving an oral test.

Speaking specifically about manic depression, she asks, "How would you diagnose a patient, who walks back and forth screaming at the top of their lungs one minute, then sits in a chair weeping uncontrollably the next?"

A young man in the rear of the class raises his hand and answers, "He's probably a basketball coach !!!"

Natural Laws

"The Law of Volunteering" -

If you dance with a grizzly bear, you had better let him lead.

"The Law of Avoiding Oversell" - When putting cheese in a mousetrap, always leave room for the mouse.

"The Law of Reality" - Never get into fights with ugly people. They have nothing to lose.

Kitchen Cry

Howard came home from work one evening and there was his wife Miriam in the kitchen crying out loud.

"What's the matter, darling?" he asked her.

"I just don't know what to do," said Miriam.

"Because we were eating in for a change, I cooked us a special dinner - but the dog has just eaten it."

"Don't worry," said Howard, "I'll get us another dog."

You Were Warned

Noticing one of her students was making faces at the other children in the playground, Ms. Smith stopped to gently reprove the child.

Smiling sweetly, the Sunday school teacher said, "Johnny, when I was a child, I was told if that I made ugly faces, that it would freeze and stay that way."

Johnny looks up and replies, "Well, Ms. Smith, you can't say you weren't warned."

Mabel & Ethel

Two elderly women were eating breakfast in a restaurant one morning.

Ethel noticed something funny about Mabel's ear and she said, "Mabel, did you know you've got a suppository in your left ear?"

Mabel answered, "I have? a suppository?"

She pulled it out & stared at it. Then she said, "Ethel, I'm glad you saw this thing. Now I think I now know where my hearing aid is."

Math Lesson

The math teacher asks Johnny a question, "Johnny, if I gave you two rabbits and then two more rabbits and then two more rabbits, how many would you have?"

Johnny replied, "Seven rabbits, Teacher."

The teacher asked again, "Listen Johnny, If I gave you two rabbits, plus two more rabbits, plus two more rabbits... How many rabbits would you have altogether?"

Johnny smiled, "That's easy, Teacher, I would have seven."

"Ok Johnny," the teacher said. "Let's try it a different way. If I gave you two candy bars, plus two more candy bars, plus two more candy bars, how many candy bars would you have?"

"Six candy bars," Johnny says.

"OK," said the teacher. "Now think of that with this question. "If I gave you two rabbits, then two more rabbits, then two more rabbits how many would you have?"

"Seven, Teacher." Johnny said.

How can you have seven?" the teacher asked, exasperated.

"Because I already have one rabbit at home!"

Construction Noise

During a beautiful spring afternoon, I was attending a music festival. Just as I stopped to listen to a folk singer, a group of exhibitors, dragging out tools and sawhorses, began setting up their display booth nearby. All their shouting and hammering made it difficult to enjoy the music. The noise they made got louder and even more obnoxious and intrusive as time went on.

Finally, to everyone's relief, they completed the construction.

As a finishing touch, they hung a sign on their booth. It read "Silent Auction."

*I'll call it a smartphone the day I yell
"Where's my phone?!"
and it yells
"Down here, in the couch cushions!"*

Strange Disorder

A man goes to his doctor.

"If I see someone riding a bike when I'm walking down the street,

I get this terrible urge to throw myself under the wheels. Have you ever heard of such a thing?"

The doctor thinks for a moment, then says; "Yes, I have heard of one other case. You are what we call a cycle path."

Nail Biting

Most of us have a bad habit we are constantly trying to break. For me, it's biting my fingernails. One day I told my husband about my latest solution: press-on nails.

"Great idea, Honey," he smiled. "You can eat them straight out of the box."

Garage Sale

Early one evening a man went out to his garage
and pulled the lawn furniture out onto the driveway.
Shortly after followed the lawn mower, a few
gardening tools and a bicycle.

A curious neighbor wandered over and asked if he
was going to have a garage sale.

"No," replied the gentleman, "my son just bought
his first car and right now he's getting ready for a big
date."

"So what's with all the stuff?" asked the neighbor.

"Well, after years of moving tricycles, toys and
sports equipment out of the way every time I came
home from work I wanted to make sure the
driveway was ready for him."

Never confuse etiquette and manners.

Bad etiquette is using your dinner fork on your salad.

Bad manners is pointing out that someone used their dinner fork on their salad.

Manners will always trump etiquette.
