The New Baby

Little Johnny's new baby brother was screaming up a storm.

He asked his mom,
"Where'd we get him?"
His mother replied, "He

came from heaven, son."
Johnny says, "WOW!
I can see why they threw
him out!"

If you wanna impress me with your car, it better be a food truck.

Fans of the 60's

Fans of 1960's music, my 17-year-old daughter and her best friend got front-row tickets to a Peter, Paul, and Mary concert.

When they returned home, my daughter said, "During the show, we looked back an saw hundreds of little lights swaying to the music. At first we thought people were holding up cigarette lighters. Then we realized that the lights were the reflections off all the eyeglasses in the audience.

Stay close to people who feel like SUNSHINC!

Not a Compliment

A fellow programmer had designed some software for one of our largest accounts. He asked my help in putting it into operation. When I sat down with one woman and told her I would be showing her how to make changes to the files, she sighed with relief then remarked, "I'm so glad you're teaching me instead of him."

Surprised, I said that my colleague was far more experienced than I was.

"Yes," she said, "but I feel much more comfortable with you ... I get nervous around really smart people."

Appreciated

A famous football coach was on vacation with his family in Maine. When they walked into a movie theater and sat down, the handful of people there applauded. He thought to himself, "I can't believe it. People recognize me all the way up here."

Then a man came over to him and said, "Thanks for coming. They won't start the movie unless we have ten paying people or more."

"What is my purpose in life?" I asked the void.

"What if I told you that you fulfilled it when you took an extra hour to talk to that kid about his life?" said the voice.

"Or when you paid for that young couple in the restaurant? Or when you saved that dog in traffic? Or when you tied your father's shoes for him?"

"Your problem is that you equate your purpose with goal-based achievement.. The Universe isn't interested in your achievements...just your heart. When you choose to act out of kindness, compassion and love, you are already aligned with your purpose. No need to look any further!"

Umbrellas

One day on his way to work, my husband stopped at the cafeteria as it began to rain.

Forgetting that he hadn't brought an umbrella, he reached for the nearest one when he got up to leave.

"That's my umbrella," a woman immediately scolded.

Abashed at his mistake, he walked on to his office. He was drenched by the time he arrived.

Once there, he discovered three umbrellas that he had left in the office over the months, and he decided to bring them home at the end of the day.

That afternoon he ran into the same woman who had confronted him earlier.

She looked at the umbrellas, then at him, and tartly remarked: "You did real well for yourself today, didn't you?"

If I was Snow White you'd never be able to kill me with an apple...
You'd have to poison an eclair or something...

Want To Go Out?

One Saturday, as Mom was finishing the dinner dishes, my father stepped up behind her. "Would you like to go out, girl?" he asked.

Not even turning around, my mother quickly replied, "Oh, yes, I'd love to!"

They had a wonderful evening.

It wasn't until the end of the evening that Dad finally confessed that his question had actually been directed to the family dog, laying near Mom's feet on the kitchen floor.

My first job was at an Orange Juice Factory, but I got canned.

I couldn't CONCENTRATE.

Confucius say....

Give a man a fish and he will eat for a day. Teach him how to fish and he will sit in a boat and drink beer all day.

Do not walk behind me, for I may not lead. Do not walk ahead of me, for I may not follow. Do not walk beside me, either: just leave me the heck alone.

It's always darkest before dawn. So if you're going to steal your neighbor's newspaper, that's the time to do it.

Romantic Dinner

On their anniversary night, the husband sat his wife down in the den with her favorite magazine, turned on the soft reading lamp, slipped off her shoes, patted and propped her feet and announced that he was preparing dinner all by himself.

"How romantic!" she thought. Two-and-a-half hours later, she was still waiting for dinner to be served. She tiptoed to the kitchen and found it in a colossal mess.

Her harried husband, removing something indescribable from the smoking oven, saw her in the doorway. "Almost ready!" he vowed. "Sorry it took me so long -- I had to refill the pepper shaker."

"Why, honey, how long could that have taken you?" "More'n an hour, I reckon. Wasn't easy stuffin' it through those dumb little holes."

Six year olds laugh an average of 300 times a day. Adults only laugh 15-100 times a day. Be Six Again!

Is he a Good Dentist?

A couple of old guys were golfing when one said he was going to Dr. Taylor for a new set of dentures in the morning.

His friend remarked that he had gone to the same dentist a few years before. "Is that so?" the first said. "Did he do a good job?"

"Well, I was on the course yesterday when the fellow on the ninth hole hooked a shot," he said. "The ball most have been going 200 mph when it hit me in the stomach. That," he added, "was the first time in two years my teeth didn't hurt."

Does anybody have a recipe for "I Don't Know" or "I Don't Care?"

It's what my family has yet again requested for dinner and I can't seem to find any recipes.

Food Quips

- "Artichokes ... are just plain annoying ... After all the trouble you go to, you get about as much actual 'food' out of eating an artichoke as you would from licking thirty or forty postage stamps. Have the shrimp cocktail instead." -- Miss Piggy
- "The most remarkable thing about my mother is that for 30 years she served the family nothing but leftovers. The original meal has never been found." --Sam Levinson
- "This recipe is certainly silly. It says to separate two eggs, but it doesn't say how far to separate them." -- Gracie Allen

Unexpected Knock

There was an unexpected knock on my door, and like I always do I first opened the peephole and asked, "Who's there?" "Parcel post, ma'am. I have a package that needs a signature."

"Where's the package?" I asked suspiciously. The deliveryman held it up.

"Could I see some ID?" I said, still not convinced. "Lady," he replied wearily, "If I wanted to break

into your house, I'd probably just use these." And he pulled out the keys I had left in the door.

Accidentally rubbed ketchup in my eyes... now I have Heinzsight

Urges and Feelings

A father spoke to his son, "It's time we had a little talk my son. Soon you will have urges and feelings you've never had before. Your heart will pound and your hands will sweat. You'll be preoccupied and won't be able to think of anything else."

He added, "But don't worry, it's perfectly normal ... it's called golf."

Are You A Christian?

Little Rodney, 4 years old, walked down the beach, and as he did, he spied a matronly woman sitting under a beach umbrella on the sand. He walked up to her and asked, "Are you a Christian?"

"Yes." she replied.

"Do you read your Bible every day?"

She nodded her head, "Yes."

"Do you pray often?" the boy asked next, and again she answered, "Yes."

With that he asked his final question, "Will you hold my quarter while I go swimming?"

Watching a Movie

A man lay sprawled across three entire seats in a theater. When the usher came by and noticed this, he whispered to the man, "Sorry, sir, but you're only allowed one seat."

The man groaned but didn't budge. The usher became impatient.

"Sir," the usher said, "if you don't get up from there I'm going to have to call the manager.'

Again, the man just groaned, which infuriated the usher who turned and marched briskly back up the aisle in search of his manager. In a few moments, both the usher and the manager returned and stood over the man. Together the two of them tried repeatedly to move him, but with no success. Finally, they summoned the police. The cop surveyed the situation briefly. "All right buddy, what's your name?"

"Sam," the man moaned.

"Where ya from, Sam?" the cop asked.

"The balcony."

The City Farmer

A city slicker moves to the country and decides he's going to start farming. He goes to the local co-op and tells the man, "Give me 100 baby chickens." The co-op man complies. A week later the man returns and says, "Give me 200 baby chickens." The co-op man complies. Again, a week later the man returns. This time he says, "Give me 500 baby chickens." "Wow!" the co-op man replies. "You must really be doing well. "Naw," said the man with a sigh. "I'm either planting them too deep or too far apart!"

Neighbors

Every time the man next door headed toward Robinson's house, Robinson knew he was coming to borrow something. "He won't get away with it this time," muttered Robinson to his wife. "Watch this."

"Er, I wonder if you'd be using your power-saw this morning," the neighbor began.

"Gee, I'm awfully sorry," said Robinson with a smug look, "but the fact of the matter is, I'll be using it all day."

"In that case," said the neighbor, "you won't be using your golf clubs, mind if I borrow them?"

Seasick

John had never been on a fishing boat before, and he was now thinking it was the stupidest thing he'd ever done in his life. Who would ever have believed that seasickness could be this awful? With every pitch and roll, John wondered how he was going to survive the remaining two hours of the trip.

One of the deckhands came up to him and said, "Don't worry, young fella. Nobody ever died of seasickness."

"You've just taken away my last hope for relief," John said.

True Love

It was a busy morning at the clinic, approximately 8:30 am. An elderly gentleman in his 80's, arrived to have stitches removed from his thumb. He stated he was in a hurry as he had an appointment at 9:00 am.

I took his vital signs and had him take a seat, knowing it would be over an hour before someone would to able to see him. I saw him looking at his watch and, since I was not busy with another patient, I went over to evaluate his wound.

On exam it was well healed, so I talked to one of the doctors, got the needed supplies to remove his sutures and redress his wound.

While taking care of his wound, we began to engage in conversation. I asked him if he had a doctor's appointment this morning, as he was in such a hurry.

The gentleman told me no, that he needed to go to the nursing home to eat breakfast with his wife.

I inquired as to her health. He told me that she had been there for a while and that she was a victim of Alzheimer Disease.

As we talked, and I finished dressing his wound, I asked if she would be worried if he was a bit late. He replied that she no longer knew who he was, that she had not recognized him in five years now.

I was surprised, and asked him. "And you still go every morning, even though she doesn't know who you are?"

He smiled as he patted my hand and said. "She doesn't know me, but I still know who she is."

I had to hold back tears as he left, I had goose bumps on my arm, and thought, "That is the kind of love I want in my life."

- •You're very likely to survive any battle in any war unless you make the mistake of showing someone a picture of your sweetheart back home.
- •If your town is threatened by an imminent natural disaster or killer beast, the mayor's first concern will be the tourist trade or his forthcoming art exhibition.
 - •The Eiffel Tower can be seen from any window in Paris.
- •A man will show no pain while taking the most ferocious beating but will wince when a woman tries to clean his wounds.
 - •If a large pane of glass is visible, someone will be thrown through it before long.
 - •When paying for a taxi, don't look at your wallet as you take out a bill just grab one at random and hand it over. It will always be the exact fare.

Slow Down

A speeding motorist was caught by radar from a police helicopter in the sky. An officer pulled him over and began to issue a traffic ticket. "How did you know I was speeding?" the frustrated driver asked.

The police officer pointed somberly towards the sky.

"You mean," asked the motorist, "that even He is against me?"

"Darn!" the man said to his friend while weighing himself at the local drug store scale.

"I started on a new diet but the scale says I'm heavier than I was before."

Turning to his friend, he said, "Here, hold my jacket."

The scale still indicated that he had not lost any weight.

"OK," he said to his friend. "Hold my Twinkies."

Break Up

My girlfriend broke up with me. She said it's because I was always correcting her.

She came over to my house and said, "Eddie, we need to talk."

I said, "My name is Eric."

She said, "See? I can't say anything right around you!"
