### Stuntmen

A van carrying a dozen movie stuntmen on the way to a film location in the mountains spun out of control on the icy road, crashed through a guard-rail, rolled down a 90-foot embankment, turned over, and burst into flames. *There were no injuries.*

I HAVE A TON OF EXCITMENT IN MY LIFE  
I used to call it stress, but I feel better now that  
I call it excitement.

I TURN INTO A MOB BOSS WHEN I SEE A SPIDER. I WANT HIM DEAD, I WANT HIS FAMILY DEAD, I WANT HIS HOUSE BURNED TO THE GROUND.

I just got excited about a new scent of dish soap.

Nobody warned me that adulthood was going to be such a non-stop thrill ride.

Part way through his dinner date, my brother deduced the woman he was with was more interested in his money than in him. When the check came, he took out his credit card to pay the bill and was not surprised to hear her gush, "Is that a platinum card?" "No," my brother replied dryly. "It's aluminum."

**Husband's Estimate**

Joe's wife bought a new line of expensive cosmetics guaranteed to make her look years younger. After a lengthy sitting before the mirror applying the "miracle" products, she asked, "Darling, honestly, what age would you say I am?"

Looking over her carefully, Joe replied, "Judging from your skin, twenty; your hair, eighteen; and your figure, twenty five."

"Oh, you flatterer!" she gushed.

"Hey, wait a minute!" Joe interrupted. "I haven't added them up yet."

## Chicken Legs

A man was driving along a rural road, one day, when he saw a three-legged chicken. He was amused enough to drive along side it for a while.

As he was driving, he noticed the chicken was running 30 mph. "Pretty fast chicken," he thought, "I wonder just how fast it can run." So, he sped up and the chicken did, too!

They were, now, moving along the road at 45 mph! The man in the car sped up, again. To his surprise, the chicken was still running ahead of him at 60 mph!

Suddenly, the chicken turned off the road and ran down a long driveway, leading to a farmhouse. The man followed the chicken to the house and saw a man in the yard, and dozens of three-legged chickens.

The man in the car called out to the farmer, "How did you get all these three-legged chickens?"

The farmer replied, "I breed 'em. Ya' see, it's me, my wife, and my son living here, and we all like to eat the chicken leg. Since a chicken only has two legs, I started breeding this three-legged variety so we could all eat our favorite piece."

"That's amazing!" said the driver. "How do they taste?"

"Don't rightly know," said the farmer, "we can't catch 'em."

## Train Wreck

A man was applying for a job as a switch operator on the railroad. The engineer conducting the interview asked, "What would you do if the Northern Express was heading north on Track 1 and the Southern Central was heading south on Track 1?"

The man thought for a moment, then replied, "Well, I'd call my brother."

The engineer just sat there for a second. "Why the heck would you call your brother?"

"Because he's never seen a train wreck before."

**Far too much of my adult life has been spent looking for a good place to store the vacuum cleaner.**

## Gray Hair

When I discovered my first gray hair I immediately wrote to my parents:

"Dear Dad and Mom, You saw my first steps. You might want to experience this with me too." I taped the offending hair to the paper and mailed it. My father's response was in the form of a poem:

*It's a trustworthy observation,  
That nothing can compare;  
In the process of aging,  
With finding the first gray hair.*

He signed off with this observation: "That gray hair you sent is not the first one you gave us!"

## Mother's Ring

While picking up a prescription, I noticed that the woman who gave me my medication was wearing a beautiful mother's ring.

"I love your ring," I said. "It's very similar to mine." And I held out my hand to show her. Each ring had three birthstones. "You have three children too?" I asked.

"Well, no," the woman replied. "When my daughter picked this out for me, she liked the rings with three settings the best. So I have birthstones for two daughters, and this one," she said while pointing to the center gem, "is for the cat."

## Unbreakable Combs

The salesman was demonstrating unbreakable combs in the department store. He was impressing the people who stopped by to look by putting the comb through all sorts of torture and stress.

Finally to impress even the skeptics in the crowd, he bent the comb completely in half, and it snapped with a loud crack. Without missing a beat, he bravely held up both halves of the 'unbreakable' comb for everyone to see and said,

"And this, ladies and gentlemen, is what an unbreakable comb looks like on the inside..."

Why is everyone so against sugar?

Who stood by you when things  
went wrong in your life?

It wasn't broccoli, thats for sure!

Redneck Woman: "Fo'."

Census Taker: "May I have their names, please?"

**Good News and Bad News**

An artist asked the gallery owner if there had been any interest in his paintings on display at that time.

"I have good news and bad news," the owner replied. "The good news is that a gentleman inquired about your work and wondered if it would appreciate in value after your death. When I told him it would, he bought all 15 of your paintings."

"That's wonderful," the artist exclaimed. "What's the bad news?"

"The guy was your doctor."

"Of course, dearest, no trouble," she said. "But what will you live on?"

**Outhouse**

These young brothers were knocking around one lazy summer day and thought it would be a good prank to push over the outhouse. So, they crept up to it like a couple of commandos and pushed the outhouse over on one side.

When they returned home, their father approached them and bellowed, "Did you two push the outhouse over this afternoon?"

The older boy replied, "As learned in school, I cannot tell a lie. Yes, father, we pushed over the outhouse this afternoon."

At this revelation, the farmer proceeded to scold the two boys severely and sent them to bed without supper.

In the morning, the two boys meekly approached the breakfast table and took their seats. Everything was quiet until their father finally said, "Have you two learned your lesson?"

"Sure, Dad!" said the big brother, "But, in school we learned that George Washington admitted to his father that he'd chopped down a cherry tree and he was forgiven because he told the truth."

"Ah yes!" said the farmer, "but George's dad wasn't in the cherry tree when he chopped it down!"

**Traffic Camera**

I was driving when I saw the flash of a traffic camera. I figured that my picture had been taken for exceeding the limit even though I knew that I was not speeding.

Just to be sure, I went around the block and passed the same spot, driving even more slowly, but again the camera flashed. Now I began to think that this was quite funny, so I drove even slower as I passed the area once more, but the traffic camera again flashed.

I tried a fourth and fifth time with the same results and was now laughing as the camera flashed while I rolled past at a snail's pace.

Two weeks later, I got five tickets in the mail for driving without a seatbelt.

**Woman2:** Oh! You got a haircut! That's so cute!  
**Woman1:** Do you think so? I wasn't sure when she gave me the mirror. I mean, you don't think it's too fluffy looking?  
**Woman2:** Oh Gosh no! No, it's perfect. I'd love to get my hair cut like that, but I think my face is too wide. I'm pretty much stuck with this stuff I think.  
**Woman1:** Are you serious? I think your face is adorable. And you could easily get one of those layer cuts - that would look so cute I think. I was actually going to do that except that I was afraid it would accent my long neck.  
**Woman2:** Oh - that's funny! I would love to have your neck! Anything to take attention away from this two-by-four I have for a shoulder line.  
**Woman1:** Are you kidding? I know girls that would love to have your shoulders. Everything drapes so well on you. I mean, look at my arms -see how short they are? If I had your shoulders I could get clothes to fit me so much easier.  
 Men's version:

**Auto Shopping**

A woman whose fondness for the good life had taken its toll in added pounds - and girth - was being shown a Jeep by a salesman at an auto dealership. When the salesman's pitch had run its course, he sought to close with the typical line, "Now what would it take to get you into one of these?" Looking at the Jeep's high front seat, the woman replied, "Probably a crowbar."

Why did the art thief's van run out of gas as he drove away from the museum?

Because he had no Monet to buy Degas to make the Van Gogh.

Canadian Winters

The Michaels family owned a small farm in Canada, just yards away from the North Dakota border. Their land had been the subject of a minor dispute between the United States and Canada for generations.

Mrs. Michaels, who had just celebrated her ninetieth birthday, lived on the farm with her son and three grandchildren. One day, her son came into her room holding a letter. "I just got some news, Mom," he said. "The government has come to an agreement with the people in Washington. They've decided that our land is really part of the United States. We have the right to approve or disapprove of the agreement. What do you think?"

"What do I think?" his mother said. "Jump at it! Call them right now and tell them we accept! I don't think I could stand another one of those Canadian winters!"

A Play on Words

Two fisherman are out sailing when suddenly a hand appears in the sea. "What's this?" asked the first fisherman, "It looks as if someone is drowning!"

"No," explained the second fisherman, "It's just a little wave."

### E-I-E-I-O

Two kindergarteners were filling out an important worksheet. It was fill-in-the-blank. The last question read, "Old MacDonald had a \_\_\_\_\_."

Well, Timmy was stumped. He had no idea what the answer might be. He looked around to make sure no one wasn't watching, then he tapped Jacob on the shoulder. "Pssst. Jacob. What's the answer to the last question?"

Jacob laughed. He looked around to make sure the teacher hadn't noticed, then he turned to Timmy and said, "Everyone knows that Old MacDonald had a farm..."

"Oh yeah," said Timmy. "I remember now." He picked up his pencil and started to fill in the blank. Then, he stopped. He reached over to tap Jacob's shoulder again, and whispered, "How do you spell farm?"

"Duh? That's so easy... Farm is spelled E-I-E-I-O."

### Doctor's Advice

Doctor: I see you're over a month late for your appointment. Don't you know that nervous disorders require prompt and regular attention? What's your excuse?

*Patient: I was just following your orders, Doc.*

Doctor: Following my orders? What are you talking about? I gave you no such order.

*Patient: You told me to avoid people who irritate me.*

Potatoes

There were three guys whose car had broken down so they were on the highway trying to thumb a ride. A trucker saw them and pulled over to help. He told them they could ride in the trailer but that they had to hide if he got pulled over so that he wouldn't be ticketed for picking up hitchhikers.

Well, sure enough, not 10 minutes down the road the truck got pulled over. The cop decided to have a look inside of the trailer and, at first glance, he didn't see anything unusual.

The first thing the cop noticed was a very large crate. He knocked on the crate where the first guy was hiding. The only sound he heard was "Moo," so he thought, "Hmm... a cow must be in there."

Then, the cop noticed an average-sized box which happened to be where the 2nd guy was hiding. He shook it a little and heard a "Meow," so he thought, "Hmm... a cat must be in there."

Finally, the cop noticed a large potato sack lying on the floor where the 3rd guy was hiding. The cop kicked the sack a couple of times and then heard "Potatoes!"

My hobbies include:

pinning pictures of home decor I can't afford, recipes I won't cook, and crafts I won't make.

Also, I really enjoy loading up my online shopping cart and not buying any of it!

Sport Quotes

"If everything seems under control, you're just not going fast enough." Mario Andretti.

"I went to a fight the other night and a hockey game broke out." Rodney Dangerfield.

"Show me a man who is a good loser and I'll show you a man who is playing golf with his boss." Jim Murray.

Alligator Teeth

A tourist was admiring the necklace worn by a local Indian.

"What is it made of?" she asked.

"Alligator's teeth," the Indian replied.

"I suppose," she said patronizingly, "that they mean as much to you as pearls do to us."

"Oh no," he objected. "Anybody can open an oyster."

## Collateral

A young man from Arkansas needed to borrow \$500 so he went to the bank for a loan.

The banker pulled out the loan application, "What are you going to do with the money?"

"Take jewelry to the city and sell it," was the response.

"What have you got for collateral?"

"Don't know about collateral."

"Well that's something of value that would cover the cost of the loan. Have you got any vehicles?"

"Yes, a 1949 Chevy pickup."

The banker shook his head, "How about livestock?"

"Yes, I have a horse."

"How old is it?"

"Don't know, but he has no teeth."

Finally the banker decided to make the \$500 loan.

Several weeks later the young man was back in the bank. He pulled out a roll of bills, "I'm here to pay," he said. He then handed the banker the money to pay his loan off.

"What are you going to do with the rest of that money?"

"Put it in the trailer."

"Why don't you deposit it in my bank," he asked.

"Don't know about deposits."

"You put the money in our bank and we take care of it for you. When you want to use it you can withdraw it."

The young man leaned across the desk and asked, "What you got for collateral?"

Once you hit 50 you gotta sit on the edge of the bed and warm up like an old Buick before you get up.

## Good Advice

A man approached a local person in a village he was visiting.

"What's the quickest way to York?"

The local scratched his head.

"Are you walking or driving?" he asked the stranger.

"I'm driving."

"That's the quickest way!"

## Why I Don't Play Golf

A golfer is playing a round of golf with his buddies. On the sixth hole, a hole over water, he proceeds to flub nine balls into the water. Frustrated over his poor golfing ability, he heaves his golf clubs into the water, and begins to walk off the course.

Then all of a sudden he turns around and jumps back in the lake, his buddies apparently thinking he is going to retrieve his clubs.

When he comes out of the water he doesn't have his clubs and begins to walk off the course.

Then one of his buddies asks, "Why did you jump into the lake?"

And he said, "I left my car keys in the bag."
