Price Reduction

Our minister announced that admission to a church social event would be nine dollars per person. "However, if you're over 65," he said, "the price will be only \$8.50."

From the back of the congregation, a woman's voice rang out, "Do you really think I'd give you that information for only 50 cents?"

Made a lot of mistakes in my life but adding more cheese than what a recipe calls for has never been one of them.

Simple Support

Last week my wife and I purchased a new computer. We ran into some difficulties while setting it up so we decided to call the customer support phone number we found in the manual. I picked up the phone and called the number. A man answered the phone and I explained the problem to him.

He began rattling off computer jargon. This confused us even more. "Sir," I said politely, "Can you explain what I should do as if I were a small child?" "Okay," the computer support guy said, "Son, could you please put your mommy on the phone?"

Doctor Mistake

During the course of being interviewed by the press, the noted doctor was asked by a reporter: "Doctor, did you ever make a serious mistake?"

"Yes, was the reply, "I once cured a millionaire in three visits!"

Mathematically Speaking

A high-school geometry teacher started a lesson on triangles by reading a theorem. "If an angle is an exterior angle of a triangle, then its measure is greater than the measure of either of its corresponding remote interior angles."

He noticed that one student wasn't taking notes and asked him why.

"Well," the student replied sincerely, "I was waiting for you to start speaking English."

Catching the Bear

Two men went bear hunting. While one stayed in the cabin, the other went out looking for a bear. He soon found a huge bear, shot at it but only wounded it.

The enraged bear charged toward him, he dropped his rifle and started running for the cabin as fast as he could. He ran pretty fast but the bear was just a little faster and gained on him with every step. Just as he reached the open cabin door, he tripped and fell flat.

Too close behind to stop, the bear tripped over him and went rolling into the cabin.

The man jumped up, closed the cabin door and yelled to his friend inside, "You skin this one while I go and get another!"

Navy Way

A friend of mine joined the Navy and soon after he had completed boot camp, he was invited to be in a friend's wedding. He asked an officer for a pass and was told he had to be back by 7 p.m. Sunday.

"You don't understand, sir," my friend said. "I'm in the wedding."

The officer replied, "No, YOU don't understand. You're in the Navy."

I have a Question

A father and son went fishing one day. While they were out in the boat, the boy suddenly became curious about the world around him. He asked his father, "How does this boat float?"

The father replied, "Don't rightly know son."

A little later, the boy looked at his father and asked, "How do fish breath underwater?"

Once again the father replied, "Don't rightly know son."

A little later the boy asked his father, "Why is the sky blue?"

Again, the father replied, "Don't rightly know son."

Finally, the boy asked his father, "Dad, do you mind my asking you all of these questions?"

The father replied, "Of course not, you don't ask questions, you never learn nothin'."

A Walking Economy

This guy is walking with his friend, who happens to be a psychologist. He says to this friend, "I'm a walking economy."

The friend asks, "How so?"

"My hair line is in recession, my stomach is a victim of inflation, and both of these together are putting me into a deep depression!"

People give directions like
"then head North"
Okay Lewis and Clark, do I turn at
Chick-fil-A or go towards the Sonic?

The Old Junker

His beloved old white convertible was in deplorable shape, but he refused to get rid of it. So when the old junker was stolen from his office parking lot, his family was delighted. Nonetheless, they called the police and filed an insurance claim.

Their relief was short-lived, within an hour an officer was on the phone. "We found the car less than a mile away," he said, trying to restrain himself. "It had a note on it that read, 'Thanks anyway, we'd rather walk.'"

Write for Mail Order

An elderly fisherman wrote to a mail order house the following: "Please send me one of those gasoline engines for my boat you show on page 438, and if it's any good, I'll send you a check."

In a short time he received the following reply: "Please send check. If it's any good, we'll send the engine."

Did you see That?

Two guys are out hunting deer. The first guy says, "Did you see that?"

"No," the second guy says.

"Well, a bald eagle just flew overhead," the first guy says.

"Oh," says the second guy.

A couple of minutes later, The first guy says, "Did you see that?"

"See what?" the second guy asks.

"Are you blind? There was a big, black bear walking on that hill, over there."

"Oh."

A few minutes later the first guy says: "Did you see that?"

By now, the second guy is getting aggravated, so he says, "Yes, I did!"

And the first guy says: "Then why did you step in it?"

Catching the Fish

Jim had an awful day fishing on the lake, sitting in the blazing sun all day without catching a single one. On his way home, he stopped at the supermarket and ordered four catfish. He told the fish salesman, "Pick four large ones out and throw them at me, will you?"

"Why do you want me to throw them at you?"

"Because I want to tell my wife that I caught them."

"Okay, but I suggest that you take the orange roughly."

"But why?"

"Because your wife came in earlier today and said that if you came by, I should tell you to take orange roughly. She prefers that for supper tonight."

Old Home

We purchased an old home in Northern New York State from two elderly sisters. Winter was fast approaching and I was concerned about the house's lack of insulation. "If they could live here all those years, so can we!" my husband confidently declared.

One November night the temperature plunged to below zero, and we woke up to find interior walls covered with frost. My husband called the sisters to ask how they had kept the house warm. After a rather brief conversation, he hung up. "For the past 30 years," he muttered, "they've gone to Florida for the winter."

Did you hear about the Ice Cream truck that crashed?

The driver blamed it on the rocky road!

I wish I were the type of person who exercises when stressed.

Yet, here I am, wondering if I should dunk this cupcake in my coffee.

Dropped your Wallet

Two fishermen were out on the lake when one of them dropped his wallet. As they watched the wallet float down to the depths of the lake, a carp came along and snatched up the wallet. Soon came another carp who stole it away and then a third joined in.

Remarked one of the fisherman, "That's the first time I've ever seen carp-to-carp walleting."
(Get it? Wall-to-wall carpeting...)

Daughter in college

Did you hear about the banker who was recently arrested for embezzling \$100,000 to pay for his daughter's college education?

As the policeman, who also had a daughter in college, was leading him away in handcuffs, he said to the banker, "I have just one question for you. Where were you going to get the rest of the money?"

Two Men Camping

Two young men were out in the woods on a camping trip, when they came upon this great trout brook. They stayed there all day, enjoying the fishing, which was super.

At the end of the day, knowing that they would be graduating from college soon, they vowed that they would meet, in twenty years, at the same place and renew the experience.

Twenty years later, they met and traveled to a spot near where they had been years before. They walked into the woods and before long came upon a brook. One of the men said to the other, "This is the place!"

The other replied, "No, it's not!"

The first man said, "Yes, I recognize the clover growing on the bank on the other side.

To which the other man replied, "Silly, you can't tell a brook by it's clover."

Why must I prove that I am me to pay my bills over the phone? Do strangers call to pay my bills? And if they do, why don't you let them?

A normally sweet Great Dane Psil has one quirk: she hates United Parcel Service drivers.
While walk Psil one day, around the corner of a house came a UPS man.
Struggling to keep hold of Psil, the owner tried to ease the situation said, "As you can see, he just loves UPS men."
"Don't you feed her anything else?" he responded.

Begin emergency landing
The following is supposedly a true story. According to "The Australian," an airliner recently encountered severe vibration in flight.
The captain decided to make an emergency landing, and switched on the seat belt sign.
The vibration stopped immediately.
A passenger emerged from a lavatory and explained that he had been joggng in place inside.

At least then we could see them coming.

Travel in a Sailboat
The banker fell overboard from a friend's sailboat. The friend grabbed a life preserver, held it up, not knowing if the banker could swim, and shouted, "Can you float alone?"
"Obviously, yes" the banker replied, "but this is a heck of a time to talk business."

Ode to Cranky Men
I chanced to pass a window
While walking through a mall
With nothing much upon my mind,
Quite blank as I recall. I noticed in that
window
A cranky-faced old man,
And why he looked so cranky
I didn't understand.
Just why he looked at ME that way
Was more than I could see
Until I came to realize
That cranky man was ME!

Paying in advance
A motorist, driving by a Texas ranch, hit and killed a calf that was crossing the road. The driver went to the owner of the calf and explained what had happened. He then asked what the animal was worth.
"Oh, about \$200 today," said the rancher. "But in six years it would have been worth \$900. So \$900 is what I'm out."
The motorist sat down and wrote out a check and handed it to the farmer.
"Here," he said, "is the check for \$900. It's post-dated six years from now."

I asked my daughter to give me the phone book. She laughed at me, called me a dinosaur and lent me her iPhone.

Wine Connoisseur?

When it comes to wine I'm very particular about what I buy. There are two things I look for before making my selection.

First, the word "Wine" must appear somewhere on the label. This is something upon which I insist.

Second, I look for a sign nearby that says "On Sale."

Follow these two rules and you won't go far wrong.

I had the rudest, slowest, nastiest, cashier today.

I guess it's my own fault for using the self checkout lane.

Movies Changed

For the first time in many years, an old man traveled from his rural town to the city to attend a movie. After buying his ticket, he stopped at the concession stand to purchase some popcorn.

Handing the attendant \$6.50, he couldn't help but comment, "The last time I came to the movies, popcorn was only 15 cents."

"Well, sir," the attendant replied with a grin, "You're really going to enjoy yourself. We have sound now."

At a Grocery Store

A man observed a woman in the grocery store with a three year old girl in her basket. As they passed the cookie section, the little girl asked for cookies and her mother told her, "No." The little girl immediately began to whine and fuss, and the mother said quietly, "Now Monica, we just have half of the aisles left to go through - don't be upset. It won't be long now."

Soon, they came to the candy aisle and the little girl began to shout for candy. When told she couldn't have any, she began to cry. The mother said, "There, there, Monica, don't cry - only two more aisles to go and then we'll be checking out."

When they got to the checkout stand, the little girl immediately began to clamor for gum and burst into a terrible tantrum upon discovering there'd be no gum purchased. The mother said serenely, "Monica, we'll be through this check out stand in 5 minutes and then you can go home and have a nice nap."

The man followed them out to the parking lot and stopped the woman to compliment her. "I couldn't help noticing how patient you were with little Monica," he began.

The mother replied, "I'm Monica - my little girl's name is Tammy."

Garage Sale

Early one evening a man went out to his garage and pulled the lawn furniture out onto the driveway. Shortly after followed the lawn mower, a few gardening tools and a bicycle.

A curious neighbor wandered over and asked if he was going to have a garage sale.

"No," replied the gentleman, "my son just bought his first car and right now he's getting ready for a big date."

"So what's with all the stuff?" asked the neighbor.

"Well, after years of moving tricycles, toys and sports equipment out of the way every time I came home from work I wanted to make sure the driveway was ready for him."

Coffee is good but nothing wakes you up harder than the adrenaline of searching for a piece of your kid's sports uniform at 6am on Saturday morning.

What is your Name?

Walking through Chinatown, a tourist is fascinated with all the Chinese restaurants, shops, signs and banners. He turns a corner and sees a building with the sign, "Hans Olaffsen's Laundry."

"Hans Olaffsen?" he muses. "How in heck does that fit in here?" So he walks into the shop and sees an old Chinese gentleman behind the counter.

The tourist asks, "How did this place get a name like 'Hans Olaffsen's Laundry?'" The old man answers, "Is name of owner."

The tourist asks, "Well, who and where is the owner?" "Me...is right here," replies the old man.

"You? How did you ever get a name like Hans Olaffsen?"

"Is simple," says the old man. "Many, many year ago when come to this country, was stand in line at Documentation Center. Man in front was big blonde Swede. Lady look at him and go, 'What your name?' He say, 'Hans Olaffsen.' Then she look at me and go, 'What your name?'"

"I say Sem Ting."

Find out about the Cat

*The following is supposedly a true story. To be
included, besides being true, the story is most likely
strange, weird, surprising, or funny.*

A chauffeur worked for a woman who took her cat
with her on rides.

During one trip, the driver dropped her at a mall
before he gased up. The cat remained in the car, laying
down on the top of the limousine's back seat.

The service station's attendant often glanced at un-
usual passenger. Finally, he asked: "Sir, is that cat
someone important?"

***My 2-year old referred to her coat
pockets as 'snack holes' and this is
what I shall forever call them.***

Writing letters to Son

One student fell into a cycle of classes, studying,
working and sleeping.

He didn't realize how long he had neglected writing
home until he received the following note:

"Dear Son, Your mother and I enjoyed your last
letter. Of course, we were much younger then, and
more impressionable. Love, Dad."
