**Bugs for Dinner**

During dinner, a boy asks his father, "Dad, are bugs good to eat?"

"That's disgusting. Don't talk about things like that over dinner," the dad replies.

After dinner has finished the father sits down with his son and asks, "Now, son, what did you want to ask me?"

"Oh, nothing," the boy says. "There was a bug in your soup, but now it's gone.

He replied, "No, there is a whole series of Fairy Tales that begin with 'If elected I promise...'"

TELL OUR ADVERTISERS, "I SAW YOU IN THE ORANGE PEEL GAZETTE."

Kindergarten

Mom: How was your first day of school?

Child: I think I need a new teacher.

Mom: Do you not like your teacher?

Child: I like my teacher very much!

Mom: Then why do you think you need a new teacher?

Child: My teacher doesn't know anything!

Mom: I don't understand.

Child: She keeps asking us for all of the answers. She doesn't even know her colors. She had to ask the class to name them for her.

Prepare for Battle

Once a captain on his ship was disturbed by his assistant telling him, "Sir! Sir! There are 5 enemy ships on the horizon."

The captain tells the man, "Get my red coat and prepare for battle!"

The assistant runs without question to get the captain's red coat and prepares for battle. After their victory the assistant asks the captain why he wanted his red coat.

The captain tells the assistant "If I was shot you would not be able to tell I'm bleeding and you would keep fighting."

The assistant thought this was a great idea. The next day the assistant came to the captain, "Sir! Sir! There are twenty enemy ships on the horizon!"

The captain was stunned. He looked at the assistant and told him "Get me my brown pants!"

**Two Words**

A prince had a curse put on him when he was a little boy. He could only speak two words every year. But, if he didn't speak for a whole year, he would then be able to speak 4 words the next year and so on.

One day he met a princess named Josie and he wanted to say "My Princess."

The next year he saw her he wanted to say "My princess, I love you."

The third year he saw her he wanted to say "My princess I love you, will you marry me?" But, the young prince, now growing older knew he would have to wait a couple more years.

So, on the fifth year, excited to finally present his question, he visited the princess.

He approached her respectfully and asked, "JOSIE, MY PRINCESS, I LOVE YOU. WILL YOU MARRY ME?"

And the princess said, "Pardon?"

**Things you say after turning 40**

- Well, my knee is predicting rain tomorrow.
- I can't eat that this late... I'll be up all night.
- Is it just me, or is the music in this restaurant way too loud
- I can't go out tonight, I already put my comfy pants on.
- Why are these lights so dim? I can't read the menu

**Good Advice**

A lady is having a bad day at the tables in Vegas. Down to her last \$100, completely exasperated, she cries, "What rotten luck! What in the world should I do now?"

A gent next to her, trying to calm her down a bit, calmly suggests, "I don't know... Why don't you play your age?"

He walks away. Moments later, his he is intrigued to hear a great commotion at the roulette table. Maybe, she won!

Rushing back to the table and pushing his way through the crowd, he is stunned to see the lady lying limp on the floor, with the table operator kneeling over her.

He asks, "What happened? Is she all right?"

The operator replies, "I don't know, buddy.... She put all her money on 29. When 36 came up she fainted!"

**Cruise Ship**

There was a nice bathroom scale in our ship's cabin on our recent cruise. Since the sign in front of the fitness center claimed that the average cruiser gained 7 to 10 pounds during a cruise, I figured the scale was a way to help the cruiser avoid the weight gain.

I stepped on the scale.

It was 10 pounds too low.

I asked my wife to try it. She said that it was registering about 10 pounds too low.

The thing was broken.

The ship had excellent service and I was super impressed with the cabin steward. I didn't mention it to him, but he must have known that our scale was out of whack and not measuring correctly. When I stepped on the scale on the last day of the cruise my weight was reading perfectly.

Excellent cruise service!

**Chemist Memory**

A chemist walks into a pharmacy and asks the pharmacist, "Do you have any acetylsalicylic acid?"

"You mean aspirin?" asked the pharmacist.

"That's it! I can never remember that word."

1. You breathed loud, disrupted my vibe so it's over.
2. Ate this yesterday. No longer like chicken.
3. Served in the WRONG color bowl. I like yellow bowls... today.
4. Bowl was placed down too loudly.
5. Smelled it, decided it's suspicious.
6. I saw a crumb outside the bowls.
7. The bag crinkled too aggressively.
8. Felt like I was being rushed.
9. The ice machine dropped ice.
10. I'm a cat.

**Many inanimate things have a gender.**

- Ziploc Bags are Male, because they hold everything in, but you can see right through them.
- Copiers are Female, because once turned off; it takes a while to warm them up again. It's an effective reproductive device if the right buttons are pushed, but can wreak havoc if the wrong buttons are pushed.
- A Tire is Male, because it goes bald, and it's often over-inflated.
- A Hot Air Balloon is Male, because, to get it to go any where, you have to light a fire under it, and of course, there's the hot air part.
- Sponges are Female, because they're soft, squeezable and retain water.
- A Web Page is Female, cause it's always getting hit on.
- A Subway is Male, because it uses the same old lines to pick people up.
- An hourglass is Female, because over time, the weight shifts to the bottom.
- A Hammer is Male, because it hasn't changed much over the last 5,000 years, but it's handy to have around.
- A Remote Control is Female. Ha! You thought it'd be male, didn't you? But consider this - it gives a man pleasure, he'd be lost without it, and while he doesn't always know the right buttons to push, he keeps trying!

**Don't Do As I Do**  
On reaching his plane seat a man is surprised to see a parrot strapped in next to him. He asks the stewardess for a coffee where upon the parrot squawks "And get me a whiskey you cow!" The stewardess, flustered, brings back a whiskey for the parrot and forgets the coffee.

When this omission is pointed out to her the parrot drains its glass and bawls "And get me another whiskey you idiot". Quite upset, the girl comes back shaking with another whiskey but still no coffee.

Unaccustomed to such slackness the man tries the parrot's approach "I've asked you twice for a coffee, go and get it now or I'll kick you".

The next moment, both he and the parrot have been wrenched up and thrown out of the emergency exit by two burly stewards. Plunging downwards the parrot turns to him and says "For someone who can't fly, you complain too much!"

**Boot Camp**

One of my husband's duties as a novice drill instructor at Fort Jackson, S.C., was to escort new recruits to the mess hall. After everyone had made it through the chow line, he sat them down and told them, "There are three rules in this mess hall: Shut up! Eat up! Get up!"

Checking to see that he had everyone's attention, he asked, "What is the first rule?" Much to the amusement of the other instructors, 60 privates yelled in unison, "Shut up, Drill Sergeant!"

**Accents**

About a year ago my sister, who lives in Virginia, was talking with her four year old son, Brent. He was asking her why all their relatives from Wisconsin talk funny and sound like their noses are plugged up.

"They think we have an accent," she replied.

"But they have an accent, right?" Brent asked.

"They talk funny?"

"Everybody talks in different ways" she tried to explain. "To them, we sound like we talk very slow and all our words are d-r-a-w-n out."

His eyes got big, and he whispered seriously, "Oh, no. You mean they hear funny too?"

### Marriage Requires Teamwork!

A couple was having some trouble, so they did the right thing and went to a marriage counselor. After a few visits, and a lot of questioning and listening, the counselor said that he had discovered the main problem.

He stood up, went over to the woman, asked her to stand, and gave her a hug. He looked at the man and said, "This is what your wife needs, at least once a day!"

The man frowned, thought for a moment, then said, "Ok, what time do you want me to bring her back tomorrow?"

About to pull these steaks off the grill. It's my neighbors grill, but he went inside and I don't think he can see me.

### Corn Problem

We were eating corn on the cob two weeks ago and my 5-year-old daughter Rachel seemed to be struggling with it a little bit.

I said "Rachel, eat it like a typewriter".

She looked at me with pure innocence in her eyes and said "Mommy, what's a typewriter?"

### Enlistment Choices

"Daddy," said my 11-year-old daughter, "I think I want to join the Army."

"Baby," I answered, "I think the Air Force would be a better option for you."

"But I don't want to be a pilot."

"You don't have to be a pilot," I told her. "There are other jobs in the Air Force."

Her answer: "I don't want to be a flight attendant either."

A chicken crossed the road and met James Bond. The chicken said, 'What's your name?' 'Bond, James Bond,' 'What's yours?' 'Ken, Chick Ken'

**Wild Cuisine**

I love the outdoors, and because of my passion for hunting and fishing, my family eats a considerable amount of wild game.  
 We eat so much wild game, in fact, that one evening as I set a platter of broiled venison steaks on the dinner table, my ten-year-old daughter looked up and said:  
 "Boy, it sure would be nice if pizzas lived in the woods."

"Hello Mrs. Miller," said the bearded guy behind the counter at the bagel shop.  
 My husband and I looked at him but drew complete blanks. "I'm sorry, do we know each other?" I asked.  
 "Yeah, you was my English teacher."  
 Leaning over, my husband whispered, "Good job, Honey, good job."

**Bathroom Funny**

While carpenters were working outside the old house I had just bought, I busied myself with indoor cleaning. I had just finished washing the floor when one of the workmen asked to use the bathroom.  
 With dismay I looked from his muddy boots to my newly scrubbed floors. "Just a minute," I said, thinking of a quick solution. "I'll put down newspapers."  
 "That's all right, lady," he responded. "I'm already trained."

**Two Kinds of People**

Somebody has said there are only two kinds of people in the world. There are those who wake up in the morning and say, "Good morning, Lord," and there are those who wake up in the morning and say, "Good Lord, it's morning."

**Fairway Drive**

Mark drove his second shot from the fairway, not thinking he'd reach the green being a par 5 and out over 200 yards. The ball did land on the green & almost hit a fellow who was just finishing his putt. Mark went up to apologize and to explain, but the man was irate, yelling & screaming.

The man charged at Mark swinging his putter.

Mark who still had his 3 wood in hand, started swinging back at the man.

When the ambulance and police arrived they took Mark into custody, and asked him how many times he hit the man. Mark replied, "Well I hit him eight times but you can put me down for five."

**A Small Request**

A little boy wanted \$100.00 very badly and prayed for weeks, but nothing happened. Then he decided to write God a letter requesting the \$100.00.

When the postal authorities received the letter to God, USA, they decided to send it to the President.

The president was so amused that he instructed his secretary to send the little boy a \$5.00 bill. The President thought this would appear to be a lot of money to a little boy.

The little boy was delighted with the \$5.00 bill and sat down to write a thank-you note to God, which read:

Dear God: Thank you very much for sending the money. However, I noticed that for some reason you sent it through Washington, D.C., and, as usual, those turkeys deducted \$95.00 in taxes.

### Kids Will Be Kids

•On the first day of school, the Kindergarten teacher said, "If anyone has to go to the bathroom, hold up two fingers." A little voice from the back of the room asked, "How will that help?"

•A father was helping one of his little twins say his evening prayers. "Bless us to be good so we can return unto Thee." "Bless us to be good so we can turn on the TV."

•Another three-year old put his shoes on by himself. His mother noticed the left was on the right foot. She said, "Son, your shoes are on the wrong feet." He looked up at her with a raised brow and said, "Don't kid me, Mom. I KNOW they're my feet."

### Chorus Tryout

A girl was trying out for a job in a chorus. "Mother says that I sing beautifully."

The director replied, "Bring me a recommendation from the neighbors and I'll give you an audition."

### The Laundry

One day my housework-challenged husband decided to wash his Sweatshirt. Seconds after he stepped into the laundry room, he shouted to me, "What setting do I use on the washing machine?"

'It depends,' I replied. 'What does it say on your shirt?'

He yelled back, 'OHIO STATE!' And they say blondes are dumb!
