## Divorce

After suffering through years of his wife's awful coffee, the man spat it out and took the coffee maker to his lawyer.

Dropping it on the attorney's desk, the man growled, "Here they are!"

"Here are what?" the startled lawyer asked.  
"Grounds for Divorce."

*The day I can shout,  
"Where's my phone?" and it replies,  
"Down here in the couch!"  
Then I'll believe it's truly a

## House Call

Old Dr. Carver still made house calls. One afternoon he was called to the Tuttle house. Mrs. Tuttle was in terrible pain. The doctor came out of the bedroom a minute after he'd gone in and asked Mr. Tuttle, "Do you have a hammer?"

A puzzled Mr. Tuttle went to the garage, and returned with a hammer. The doctor thanked him and went back into the bedroom.

A moment later, he came out and asked, "Do you have a chisel?"

Mr. Tuttle complied with the request.

In the next ten minutes, Dr. Carver asked for and received a pair of pliers, a screwdriver, and a hacksaw. The last request got to Mr. Tuttle. He asked, "What are you doing to my wife?"

"Not a thing," replied old doc Carver. "I can't get my instrument bag open."

## The Bartender

A man walked into a bar and ordered a glass of white wine. He took a sip of the wine, then tossed the remainder into the bartender's face.

Before the bartender could recover from the surprise, the man began weeping. "I'm really sorry. I keep doing that to bartenders. I can't tell you how embarrassing it is to have a compulsion like this."

Far from being angry, the bartender was sympathetic. Before long, he was suggesting that the man see a psychoanalyst about his problem.

"I happen to have the name of a psychoanalyst," the bartender said. "My brother and my wife have both been treated by him, and they say he's as good as they come." The man wrote down the name of the doctor, thanked the bartender, and left. The bartender smiled, knowing he'd done a good deed for a fellow human being. Six months later, the man was back. "Did you do what I suggested?" the bartender asked, serving the glass of white wine.

"I certainly did," the man said. "I've been seeing the psychoanalyst twice a week." He took a sip of the wine. Then he threw the remainder into the bartender's face. The flustered bartender wiped his face with a towel. "The doctor doesn't seem to be doing you any good," he spluttered.

"On the contrary," the man said, "he's done me a world of good."

"But you just threw the wine in my face again!" the bartender exclaimed.

"Yes" the man said. "But it doesn't embarrass me anymore!"

## Football Confession

Our assistant pastor, an avid football fan, had to hear confessions on Saturday during an important Nebraska/Notre Dame game. When one man had finished his confession, the priest asked him, "Are you by any chance going to be around the church for awhile?"

"Yes, Father," answered the man, "I'm painting the church, and I'll be here all afternoon."

"Would you mind, then," the priest asked, "coming back in now and then and keeping me posted on the game?"

"Sure thing."

Later, the priest slid open the confessional grille and heard, "Father my last confession was fifteen minutes ago. Since then I ain't done nothing and neither has Notre Dame."

## How to Lie to the Bathroom Scale

1. Weigh yourself with clothes on, after dinner ... as well as in the morning, without clothes, before breakfast, because it's nice to see how much weight you've lost overnight.

2. Never weigh yourself with wet hair.

3. When weighing, remove everything, including glasses. In this case, blurred vision is an asset. Don't forget the earrings, these things can weigh at least a pound.

4. Use cheap scales only, never the medical kind, because they are always five pounds off ... to your advantage.

5. Always go to the bathroom first.

6. Stand with arms raised, making pressure on the scale lighter.

7. Don't eat or drink in the morning until AFTER you've weighed in, completely naked, of course.

8. Weigh yourself after a haircut, this is good for at least half a pound of hair (hopefully).

9. Exhale with all your might BEFORE stepping onto the scale (air has to weigh something, right?).

10. Start out with just one foot on the scale, then holding onto the towel rack in front of you, slowly edge your other foot on and slowly let off of the rack. Admittedly, this takes time, but it's worth it. You will weigh at least two pounds less than if you'd stepped on normally.

*It seems unfair that the people who  
want to go to bed have to put the people  
to bed that don't want to go to bed.*

## Tree Care

Last October, after much deliberation, I bought a magnolia tree from our local nursery. After only a few weeks I noticed that the leaves had started to shrivel and the tree appeared to be on its last legs in spite of my tender care.

So I took some leaf samples and marched back to the nursery to demand an explanation or get my money back.

"I know exactly what's wrong with your magnolia," said the manager.

"Good!" I exclaimed. "What's it suffering from?"

You can imagine how stupid I felt when he simply said, "Autumn."

For the past 21 years, my wife has been complaining about me not putting the cap back on the toothpaste. So, I decided to change this bad habit and make my wife happy. For a week, I was diligent, always capping the toothpaste! I was expecting my wife to thank me, but she never did it.

Finally last night, she turned and looked at me and said; "Why have you stopped brushing your teeth?"

## Out of Gas

After finishing an out-of-town errand, I discovered that my car wouldn't start because it was out of gas.

A passer-by told me there was a service station a half-mile away, so I took a gas can from the trunk and trudged the distance in the sweltering sun.

The attendant filled my two-gallon can, and I lugged it back and poured the gas into the tank. But when I tried to unlock the car door, it wouldn't open. Just then, I noticed an identical old car parked a short distance away. That was my car; I had filled a stranger's gas tank.

Wearily I walked back to the station. "You know," the attendant suggested helpfully, "instead of walking back and forth to fill the tank from the can, you could put a couple of gallons in the tank and then drive the car here."

## Golf Clubs

A golfer, who was known for his bad temper, walked into the Pro Shop one day and plunked down big bucks for a new set of woods.

The staff all watched to see what would happen after he used them for the first time - more than half expecting he'd come in and demand his money back.

But the next time he came in, he was all smiles.

"They're the best clubs I've ever had," he said. "In fact, I've discovered I can throw them at least 40 yards farther than I could my last ones."

## Sports Short Ones

•A rookie pitcher was struggling at the mound, so the catcher walked up to have a talk with him. "I've figured out your problem," he told the young south-paw. "You always lose control at the same point in every game." "When is that?" "Right after the National Anthem."

## DISCRIMINATING AGAINST 'F' STUDENTS

BOSTON, MA - Harvard University is facing a lawsuit stemming from allegations that it discriminates against 'F' Students. Jeremy Slowboy, spokesman for the group 'Americans for Equal Rights for Under-Achievers', told BNN, "We find it troubling that Harvard has never admitted a student with a 0.0 GPA in its entire 363 year history. How can an institution of higher learning, like Harvard, be so backwards and outdated? 'F' students have just as much of a right to an Ivy-League education as any other student in America. We praise those people who helped bring this lawsuit against the university and hope that it will force Harvard and other universities to end their discrimination policies."

Admissions Officials at Harvard claim that if they are forced to admit under-achievers, the University will lose its prestige and could go under. BNN's legal correspondent, Johnny Cockroach, sees things differently. Said Cockroach, "Discrimination is wrong no matter what it's based upon. It is time we faced up the fact that mental discrimination has no place in our society."

## Signs That Old Age Might Be Creeping Up On You

(George Burns)

- When you like to be in crowds because they keep you from falling down.
- When your only party of the last year was to celebrate the twelfth rerun of your seven-year itch.
- When the parts that have arthritis are the parts where you feel best.
- When your favorite section of the newspaper is "25 Years Ago Today."
- When a big evening with your friends is sitting around comparing living wills.
- When your knees buckle, but your belt won't.
- When your clothes go into the overnight bag so you can fill the suitcase with your pills.

## The Minister's Butler

The minister and his wife place an ad for a butler. Early the next morning a nicely dressed young man appears at their front door. The minister asks him, "Can you fix breakfast by 7:00 a.m. every day?"

"Well ... I guess I can."

"And can you make the beds, dust the living room, do the dishes, cut the grass, and polish the silver also?"

"Gee, Sir, I just came by to see about getting married. But if it's going to be that much work, you can count me out!"

I love board games. My favorite is where people put meat and cheese on a board. Some fruit and crackers. I'm excellent at that one.

## Chat Room

When my son Jared began spending lots of time in the Internet chat rooms, I worried that his grades would suffer. I made him promise to do schoolwork until I returned home at 5p.m.

One day at 4:30 I decided to check up on him. Using my office computer, I went on-line and entered his favorite chat room. To my dismay I saw Jared's name among the list of current participants and immediately decided to teach him a lesson in front of his cyber friends.

"Jared," I typed, "this is your mother, and you are grounded for two weeks!"

"Hi, Mrs. Beyeler," came a reply. "This is David. Jared's doing homework right now, and he said I could use his computer. But I'll be sure to let him know that he's been grounded."

**My neighbor just yelled at her kids so loud that even I brushed my teeth and went to bed.**

## An Illinois Poem

It's Winter in Illinois  
And the gentle breezes blow.  
Seventy miles an hour,  
At thirty-five below.

Oh how I love Illinois  
When the snow's up to your bum.  
You take a breath of winter air  
And your nose gets frozen shut.

Yes, the weather here is wonderful.  
So I guess I'll hang around.  
I could never leave Illinois  
'Cause I'm frozen to the ground!

## Not Feeling Well

A man goes to the doctor and tells him that he hasn't been feeling well. The doctor examines him, leaves the room & comes back with 3 different bottles of pills.

The doctor says, "Take the green pill with a big glass of water when you get up. Take the blue pill with a big glass of water after lunch. Then just before going to bed, take the red pill with another big glass of water."

Startled to be put on so much medicine the man stammers, "My goodness, doc, exactly what's my problem?"

Doctor says, "You're not drinking enough water."

## Various Ways To Maintain A Healthy Level Of Insanity

- 1) At lunch time, sit in your parked car with sun glasses on and point a hair dryer at passing cars. See if they slow down.
- 2) Page yourself over the intercom. Don't disguise your voice.
- 3) Every time people ask you to do something, ask if they want fries with that.
- 4) Put your trash can on your desk and label it "In."
- 5) Put decaf in the coffee maker for 3 weeks. Once everyone has gotten over their caffeine addictions, Switch to Espresso.
- 6) Finish all your sentences with "In Accordance With The Prophecy."
- 7) Don't use any punctuation
- 8) As often as possible, skip rather than walk.
- 9) Order a Diet Water whenever you go out to eat, with a serious face.
- 10) Specify that your drive-through order is "To Go"....several times
- 11) Sing along at the Opera
- 12) Go to a poetry recital and ask why the poems don't rhyme
- 13) Put mosquito netting around your work area and play tropical sounds all day.
- 14) Five days in advance, tell your friends you can't attend their party because you're not in the mood.
- 15) Have your co-workers address you by your wrestling name..... Rock Bottom.
- 16) When the money comes out of The ATM, Scream "I Won!, I Won!"

-----  
Dashing through the snow,  
in my big block Chevrolet.  
Down the road I go,  
Sliding all the way  
I need new piston rings,  
I need some new snow tires  
My car is held together  
by a piece of baling wire.

Oh, Rust and Smoke,  
The heater's broke  
The door just blew away.  
I light a match to see the dash  
and then I start to pray.  
The frame is bent,  
the muffler went,  
the radio's okay  
Oh what fun it is to drive  
this rusty Chevrolet.

### Why, Oh Why?

- When they invented the Internet, why did they decide to use “w-w-w” when every other letter of the alphabet is just one syllable and much easier to say?
- Why do our parents get so much smarter as we get older?
- What is it about car keys and remote controls that make them so hard to find?
- Why is it so important to a Mac user to convince me that his computer is better than mine?
- Why do so many jokes begin, “a man walked into a bar?”
- Why do we have answers to our friend’s problems and not our own?
- Since all the excitement of a basketball game happens in the last minute, why don’t they just start the game with a minute left?

I'm at the age where I  
don't correct it when my  
autocorrect makes a mistake.

If I text you, “let’s meef fo lunvh”  
that’s your puzzle to solve now.
