SE HABLA ESPAÑOL

Good Manners

"Grandpa, I'm really proud of you," said the 7 year old little girl.

"What's to be proud of?" asked the old man.

The young girl replied, "I noticed that when you sneeze, you put your hand over your mouth."

"Of course," explained Grandpa. "How else can I catch my teeth???"

One day you'll find someone that's obsessed with you. It's probably going to be a dog. But it is what it is.

Losing Weight

My friends and I had joined a weight-loss organization. At one meeting the instructor held up an apple and a candy bar. "What are the attributes of this apple," she asked, "and how do they relate to our diet?"

"Low in calories" and "lots of fiber" were among the answers. She then detailed what was wrong with eating candy, and concluded, "Apples are not only more healthful but also less expensive. Do you know I paid \$2 for this candy bar?" We stared as she held aloft the forbidden treat.

From the back of the room a small voice spoke up, "I'll give you \$5 for it."

The Search Team

The boss wondered why one of his most valued employees was absent but had not phoned in sick one day. Needing to have an urgent problem with one of the main computers resolved, he dialed the employee's home phone number and was greeted with a child's whisper.

"Hello?"

"Is your daddy home?" he asked.

"Yes," whispered the small voice.

"May I speak with him?"

The child whispered, "No."

Surprised and wanting to talk with an adult, the boss asked, "Is your Mommy there?"

"Yes."

"May I speak with her?"

Again the small voice whispered, "No."

Hoping there was somebody with whom he could leave a message, the boss asked, "Is anybody else there?"

"Yes," whispered the child, "a policeman."

Wondering what a cop would be doing at his employee's home, the boss asked, "May I speak with the policeman?"

"No, he's busy," whispered the child.

"Busy doing what?"

"Talking to Daddy and Mommy and the fireman," came the whispered answer.

Growing more worried as he heard a loud noise in the background through the earpiece on the phone, the boss asked, "What is that noise?"

"A helicopter," answered the whispering voice.

"What is going on there?" demanded the boss, now truly apprehensive.

Again, whispering, the child answered, "The search team just landed a helicopter."

Alarmed, concerned and a little frustrated the boss asked, "What are they searching for?"

Still whispering, the young voice replied with a muffled giggle... "ME."

One day you're young and fun.

Then next thing you know you're in the garden at 6am checking on your plants in your PJs.

New Glasses

A woman walks in a store to return a pair of eyeglasses that she had purchased for her husband a week before.

"What seems to be the problem, madam?"

"I'm returning these glasses I bought for my husband. He's still not seeing things my way."

The Bar

A guy goes into a bar. He's sitting on the stool, enjoying his drink when he hears, "You look great!" He looks around - there's nobody near him. He hears the voice again, "No really, you look terrific."

The guy looks around again. Nobody. He hears, "Is that a new shirt or something? Because you are absolutely glowing!" He then realizes that the voice is coming from a dish of nuts on the bar.

"Hey," the guy calls to the bartender, "What's with the nuts?"

"Oh," the bartender answers, "They're complimentary."

Major Oops!

Tired of the inconvenience of driving from the airport to his country cottage, a man equipped his small plane with pontoons so he could land on the lake directly in front of his cottage. On his next trip however, he made his approach down the airport runway as usual.

Alarmed, his wife cried out, "Are you crazy? You can't land this plane here without wheels!" The startled husband yanked the nose up, narrowly averting certain disaster.

Continuing home, he landed the plane on the lake without mishap. As he sat there, visibly shaken, he said to his wife, "I don't know what on earth got into me. That's the stupidest thing I've ever done in my life!"

And with that, he opened the door and stepped out ... right into the water.

The Bus Trip

The little old lady seated herself right behind the bus driver. Every ten minutes or so she'd pipe up, "Have we reached Oriskany Falls yet, sonny?"

"No, lady, not yet. I'll let you know," he replied, time after time.

The hours passed, the old woman kept asking for Oriskany Falls, and finally the little town came into view. Sighing with relief, the driver slammed on the brakes, pulled over and called out, "This is where you get out, lady."

"Is this Oriskany Falls?"

"YES!" he bellowed. "Get out!"

"Oh, I'm going all the way to Albany, sonny," she explained sweetly. "It's just that my daughter told me that when we got this far, I should take my blood pressure pill."

A Genie granted me one wish, so I said,
"I just want to be happy."

Now I'm living in a cottage with 6
dwarves and work in a mine.

By the time you turn 50 you should have most of the following:

1. A drawer full of random cards.
2. Tupperware with half the lids missing
3. Anxiety
4. A collection of plastic bags full of other plastic bags
5. Sleep deprivation

Leaving Home

Mr. Jones patted his daughter's hand fondly and told her, "Your young man told me today he wanted you as his bride, and I gave my consent."

Oh, Papa," gushed the daughter, "it's going to be so hard leaving mother."

"I understand perfectly, my dear," said Mr. Jones. "I know -- why don't you just take her with you?"

When women reach a certain age they start to collect dogs

Boots

A psychiatrist was trying to comfort a new patient who was terribly upset. "You see, Doc," the patient explained, "my problem is that I like shoes much better than I like boots."

"Why, that's no problem," answered the doctor. "Most people like shoes better than boots."

The patient was elated, "That's neat, Doc. How do you like them, fried or scrambled?"

To my children:

Banquet Blessing

The banquet was about to begin when the master of ceremonies was informed that the clergyman invited to give the blessing was unable to attend. He asked the main speaker if he would oblige, and the man agreed.

He began, "There being no clergyman present, let us thank God."

Call of the Wild

John Magrich, age 4, defeated several dozen grown-ups to win the 1965 Los Angeles County Hog Calling contest.

The grown-ups strained with calls like: "Pig, Pig, Pig WHOOOooooeee, WHOOOooooeee, WHOOOooooeee, Pig, Pig, Pig" or

"OOOOoooooeeee, OOOOoooooeeee ERGH, ERGH RRrkie, RRooooeee, Pig Pig Pig, Piggy."

John cried. "Here piggy piggy." and 6 pigs walked right up to him.

Geraniums

"I'm sorry," said the clerk in flower shop, "we don't have potted geraniums. Could you use African violets instead?"

Replied the customer sadly, "No, it was geraniums my wife told me to water while she was gone."

Medical Research

A Stanford Medical research group advertised for participants in a study of obsessive-compulsive disorder. They were looking for therapy clients who had been diagnosed with this disorder. The response was gratifying; they got 300 responses the day after the ad came out. All from the same person.

A Case of the Flu

Suffering from a bad case of the flu, a man called his doctor to get an appointment. When he was told scheduled date of the appointment, he became outraged and bellowed, "Three weeks? The doctor can't see me for three weeks? I could well be dead by then!" Calmly, the receptionist replied, "If so, would you have your wife call to cancel the appointment?"

I asked my mom if she can pick me up because I don't like this sleepover and she said, "no, you're 42 and that's your husband and kids..."

Tired Minister

A tired minister was at home resting, and through the window he saw a woman approaching his door. She was one of those too-talkative people, and he was not anxious to talk with her. He said to his wife, "I'll just duck upstairs and wait until she goes away." An hour passed, then he tiptoed to the stair landing and listened ... not a sound. He was very pleased, so he started down calling loudly to his wife, "Well, My Dear, did you get rid of that old bore at last?" The next moment he heard the voice of the same woman caller, and she couldn't possibly have missed hearing him. Two steps down, he saw them both staring up at him. It seemed truly a crisis moment. The quick-thinking minister's wife answered, "Yes, Dear, she went away over an hour ago. But Mrs. Jones has come to call in the meantime, and I'm sure you'll be glad to greet her."

Boarding Announcements

At the airport for a business trip, I settled down to wait for the boarding announcement at Gate 35. Then I heard the voice on the public address system saying, "We apologize for the inconvenience, but Delta Flight 570 will board from Gate 41."

So my family picked up our luggage and carried it over to Gate 41. Not ten minutes later the public address voice told us that Flight 570 would in fact be boarding from Gate 35.

So again we gathered our carry-on luggage and returned to the original gate. Just as we were settling down, the public address voice spoke again: "Thank you for participating in Delta's physical fitness program."

Gas Prices

When the family car developed a slight knock, the husband asked his wife if she had bought regular or premium gas, but she couldn't remember.

"You probably got the cheaper gas," he said. "That could account for the engine running so rough."

"No, the gas wasn't cheaper!" she replied indignantly.

"Well, how much did it cost?" asked the husband.

"It cost the same as always," said the wife. "I bought the usual ten dollars worth."

Two youngsters were closely examining bathroom scales on display at the department store.
 "Have you ever seen one of these before?" one asked.
 "Yeah, my mom and dad have one," the other replied.
 "What's it for?" asked the first boy.
 "I don't know," the second boy answered. "I think you stand on it and it makes you mad."

Old Friends

Amy and Jamie are old friends. They have both been married to their husbands for a long time. Amy is upset because she thinks her husband doesn't find her attractive anymore.
 "As I get older he doesn't bother to look at me!" Amy cries.
 "I'm so sorry for you, as I get older my husband says I get more beautiful every day." replies Jamie.
 "Yes, but your husband's an antique dealer!"

First Draft of Genesis

Recently the first draft of the Book of Genesis was discovered. It begins: "In the beginning the world was without form, and void. And God said, 'Let there be light.' And God separated the light from the dark. And did two loads of laundry."

Quantum Date

Every Friday after work, a mathematician goes down to the Ice Cream Parlor, sits in the second-to-last seat, turns to the last seat, which is empty, and asks a girl, who isn't there, if he can buy her an ice cream cone.

The owner, who is used to the weird, local university types, always shrugs but keeps quiet. But when Valentine's Day arrives, and the mathematician makes a particularly heart wrenching plea into empty space, curiosity gets the better of him, and he says, "I apologize for my stupid questions, but surely you know there is NEVER a woman sitting in that last stool, man. Why do you persist in talking to empty space?"

The mathematician replies, "Well, according to quantum physics, empty space is never truly empty. Virtual particles come into existence and vanish all the time. You never know when the proper wave function will collapse and a girl might suddenly appear there."

The owner raises his eyebrows. "Really? Interesting. But couldn't you just ask one of the girls who comes here every Friday if you could buy HER a cone? You never know ... she might say yes."

The mathematician laughs. "Yeah, right. How likely is THAT to happen?"

Birthday Quotes

- I never forget my wife's birthday. It's usually the day after she reminds me about it.
- A well adjusted woman is one who not only knows what she wants for her birthday, but even knows what she's going to exchange it for.
- We know when we're getting old when the only thing we want for our birthday is not to be reminded of it.
- It's so sad to grow old alone. My wife hasn't had a birthday in 4 years. She was born in the year of our Lord-only-knows.

I was terrified of ghosts when I was little so my mom told me I could vacuum them up and had me clean the house telling me I was getting rid of them.
