Fish Heads

A customer at Green's Gourmet Grocery marveled at the proprietor's quick wit and intelligence.

"Tell me, Green, what makes you so smart?"

"I wouldn't share my secret with just anyone,"

Green replies, lowering his voice so the other shoppers won't hear. "But since you're a good and faithful customer, I'll let you in on it. Fish heads. You eat enough of them, you'll be positively brilliant."

"You sell them here?" the customer asks.

"Only \$4 a piece," says Green.

The customer buys three. A week later, he's back in the store complaining that the fish heads were disgusting and he isn't any smarter.

"You didn't eat enough," says Green. The customer goes home with 20 more fish heads. Two weeks later, he's back and this time he's really angry.

"Hey, Green," he says, "You're selling me fish heads for \$4 a piece when I can buy the whole fish for \$2. You're ripping me off!"

"You see?" says Green. "You're smarter already."

Say It With Flowers

A gentleman entered a busy florist shop that displayed a large sign that read, "Say It With Flowers."

"Wrap up one rose," he told the florist.

"Only one?" the florist asked.

"Just one," the customer replied. "I'm a man of few words."

Boss: You have been late 4 times this week. Do you know what that means?

Me: Must be Thursday!

Webster's Dictionary

Like a lot of husbands throughout history, Webster would sit down and try to talk to his wife. But, as soon as he would start to say something, his wife would ask, "And what's that supposed to mean?"

And so, Webster's Dictionary was born.

I'll Trust you that You Paid

A man walks into a bar and has a couple of beers. Once he is done the bartender tells him he owes \$9.00.

"But I paid, don't you remember?" says the customer.

"Okay," says the bartender, "If you said you paid, you did."

The man then goes outside and tells the first person he sees that the bartender can't keep track of whether his customers have paid.

The second man then rushes in, orders a beer and later pulls the same stunt.

The barkeep replies, "If you say you paid, I'll take your word for it."

Soon the customer goes into the street, sees an old friend, and tells him how to get free drinks.

The man hurries into the bar and begins to drink high-balls when, suddenly, the bartender leans over and says, "You know, a funny thing happened in here tonight. Two men were drinking beer, neither paid and both claimed that they did. The next guy who tries that is going to get punched right in the nose."

"Don't bother me with your troubles," the final patron responds. "Just give me my change and I'll be on my way."

Nice Try

My husband's uncle thought he had conquered his problem of trying to remember he and his wife's anniversary. He opened an account with a florist, provided that florist with the dates and instructions to send flowers to his wife on this date along with an appropriate note signed, "Your loving husband."

His wife was thrilled by this new display of attention and all went well until one day when he came home he saw a bouquet, kissed his wife and said offhandedly, "Nice flowers, honey. Where'd you get them?"

Race Track

Doug and Bill were at the race track. Doug says, "You know, if you win \$600 on a race, the track tells the government."

Bill says, "Well it could be worse."

Doug replies, "What could be worse than telling the government you won \$600?"

Bill sighs, "Telling your spouse."

ROTC Cadets

After a rigorous drilling program, a group of ROTC cadets was about to board the trucks back to the barracks. Just for fun, the cadets fell into formation with their caps on backward.

The lieutenant in charge was indignant at this breach of military decorum and dressed down the cadet leader, "Cadet! I want to see those caps facing front "Immediately!"

The young cadet captain was unshaken. He called his group to attention, then commanded crisply, "About face!"

Lamaze Class

The room was full of pregnant women and their partners, and the Lamaze class was in full swing. The instructor was teaching the women how to breathe properly, along with informing the men how to give the necessary assurances at this stage of the plan.

The teacher then announced, "Ladies, exercise is good for you. Walking is especially beneficial. And, gentlemen, it wouldn't hurt you to take the time to go walking with your partner!"

The room got quiet.

Finally, a man in the middle of the group raised his hand.

"Yes?" replied the teacher.

"Is it alright if she carries a golf bag while we walk?"

Tarp As Shacks

The other day I got a really funny card. It joked about how our bodies might be getting older, but our minds remain "tarp as shacks." I wanted to thank the person who sent it, but I can't. They forgot to sign the card.

Visiting VIP's

My husband was once employed in the printing division of a large manufacturing firm. One morning, word came from the top that some visiting VIP's would be touring the plant in just a few minutes. All production was immediately shut down as employees scrambled to quickly tidy up the work place.

When the appointed lookout yelled, "Here they come!" fifty fingers that were poised over fifty machine start-up buttons pressed down in unison and blew every fuse in the building.

Job Benefits

A salesman, tired of his job, gave it up to become a policeman. Several months later, a friend asked him how he liked his new role.

"Well," he replied, "the pay is good and the hours aren't bad, but what I like best is that the customer is always wrong!"

Shopping Stories

"You just go ahead," the man in the shopping mall said to his wife. "While you're shopping, I'll browse in the hardware store."

An hour later, she returned and saw him at the checkout counter. The clerk was ringing up the last of a pile of tools and supplies that would fill two wheelbarrows.

"Are you buying all this?" his wife asked incredulously.

"Well, yes," he said, embarrassed. Then waving his arm toward the interior of the store, he added, "But look at all the stuff I'm leaving behind!"

Dirty Magazines

Soon after being transferred to a new duty station, my Marine husband called home to tell me he would be late - again. He went on to say that dirty magazines had been discovered in the platoon's quarters and they had to discipline the whole squad. I launched into a tirade, arguing that many men had pictures hanging in their quarters at our previous post, so his new platoon should not be penalized for something trivial.

My husband calmly listened to my gripes and then explained, "Honey, dirty magazines: the clips from their rifles had not been cleaned."

My hobbies include overthinking everything and winning fake arguments in my head.

Dog License

During a county-wide drive to round up all unlicensed dogs, a patrolman signaled a car to pull over to the curb.

When the driver asked why he had been stopped, the officer pointed to the big dog sitting on the seat beside him and asked, "Does your dog have a license?"

"No," the man said, "He doesn't need one."

"Yes, he does," answered the officer.

"But," said the driver, "I always do all the driving."

Is he a Good Dentist?

A couple of old guys were golfing when one said he was going to Dr. Taylor for a new set of dentures in the morning.

His friend remarked that he had gone to the same dentist a few years before. "Is that so?" the first said. "Did he do a good job?"

"Well, I was on the course yesterday when the fellow on the ninth hole hooked a shot," he said. "The ball must have been going 200 mph when it hit me in the stomach. That," he added, "was the first time in two years my teeth didn't hurt."

Seven Iron?

Keith and Mike are playing golf one day and Keith hits a hook off the tee into a deep ravine running alongside the fairway. He goes down into the ravine to look for his ball while Mike takes the cart over to the other side of the fairway.

After a while, Mike realizes that he hasn't seen Keith in quite some time so he goes back over to the ravine. Looking down, he sees his partner sitting on the ground shaking uncontrollably. Next to him is a skeleton clutching a seven iron with a golf ball next to his feet.

Mike descends into the ravine and helps Keith stand up. After he composes himself, Keith says "What do you think we should do?" "Well," says Mike, "I sure don't think you want to use your seven iron."

*My train of thought derailed.
There were no survivors.*

Dog Fight

A man walks into a bar one day and asks, "Does anyone here own that rottweiler outside?"

"Yeah, I do!" a biker says, standing up. "What about it?"

"Well, I think my chihuahua just killed him..."

"What are you talkin' about?!" the biker says, disbelievingly. "How could your little runt kill my rottweiler?"

"Well, it seems he got stuck in your dog's throat!"

Sobriety Test

A man was on his way home from a party when he was pulled over by a police officer. As the officer approached the vehicle, he noticed a large number of knives in the back seat. Looking at the driver he asked, "Sir, do you have a good reason for needing all those large knives?"

Smiling, the driver said, "Why yes, I juggle them." Realizing the officer was giving him a skeptical look the driver said, "Officer, with your permission I'd be more than happy to give you a demonstration."

Cautiously the officer stepped back and said, "Alright, but you had better be telling the truth." Shortly the man was on the side of the road tossing the knives high up into the air with ease.

Two older men happened to drive by at that moment and both looked on in astonishment. The one looked at the other and said, "Sure glad I gave up drinking, those sobriety tests are getting ridiculous!"

I'm not lazy, I'm recharging my sparkle

New Bicycle

"I was visiting the home of a dear friend of mine one afternoon when their 4 year old little girl whose name was Lily, tugged on my pants leg and excitedly exclaimed, "I got a new bicycle, do you want to see it?"

I said, "Sure Lily." So off to the backyard we went. Upon getting into the backyard, I saw a brand new girl's bicycle. "Wow, Lily! That's a beautiful bicycle." I complimented. "Can you ride it?"

"Yeah, I can ride it," she said, then with a sad face she pouted, "but it's broke."

I looked at the new bicycle and couldn't see anything wrong with it, so I asked her, "What's wrong with it?"

"I don't know," she shrugged, "but every time I ride it, it falls down!"

Barbie didn't give me a poor body image.

Barbie taught me you can't reattach a head once it's removed from the body.

Contemplative Vicar

A vicar was talking to one of his parishioners. He said, "When you get to my age you spend a lot more time thinking about the hereafter." "Why do you say that," enquires the parishioner. The vicar replies, "Well, I often find myself going into a room and thinking what did I come in hear after?"

I'm thinking of getting a pet to go jogging with me. Maybe a turtle?

Give and Take

All eyes were on the radiant bride as her father escorted her down the aisle. They reached the altar and the waiting groom; the bride kissed her father and placed something in his hand.

The guests in the front pews responded with ripples of laughter.

Even the minister smiled broadly.

As her father gave her away in marriage, the bride had given him back his credit card.

Keeping Grandpa

At my grandparent's 50th wedding anniversary, I was looking through a photo album of their marriage ceremony. "Grandma, so many of these styles have come back over the years," I commented.

Grandma never hesitated. "That's why I've kept Grandpa all this time," she said. "I know he'll be back in style again one of these days."

In this heat, remember to check on your friends with naturally curly hair - We are NOT ok. We're out here looking like alpacas!

Proper Identification

A woman went into a bank to get a check cashed, but she didn't have an account with them. When the teller asked her for some identification, the woman showed her several charge cards, her social security card and a library card.

The teller told her they needed a driver's license, but the woman said she didn't have one.

"Don't you have anything with your picture on it?" the teller asked.

"Oh, sure," she said, as she flipped to a family photo on her phone. "That's me in the back row."

Dear Optimist, Pessimist, and Realist,

While you guys were arguing about the glass of water, I drank it.

Sincerely, The Opportunist.

Just Like You

A factory owner said to a store owner, "Thank you, Mr. Smith, for your patronage. I wish I had twenty customers like you."

"Gosh, it's nice to hear that, but I'm kind of surprised," admitted Smith. "You know that I argue every bill and always pay late."

The factory owner said, "I'd still like twenty customers like you. The problem is, I have two hundred!"

IF I CAN MAKE ONE PERSON LAUGH LONG ENOUGH TO FORGET THEIR PROBLEMS THEN MY DAY WAS NOT WASTED.

I wish I could lose weight as easily as I lose my keys, cell phone, temper, and my mind!

Tuesdays, the most useless day of the week. Not dramatic like Monday. Not hopeful like Wednesday. Just...there. Tuesdays are the emotional beige of the week.
